**THIS AFFILIATION AGREEMENT** (“Agreement”) is made and entered into as of the later of August 20, 2014, or the execution of the Agreement by both parties (the “Effective Date”) between Chabot-Las Positas Community College District (“School”), and Doctors Hospital of Manteca, Inc., a California corporation, doing business as Doctors Hospital of Manteca (“Hospital”).

C School desires to provide to its students a clinical learning experience through the application of knowledge and skills in actual patient-centered situations.

D Hospital has agreed to undertake training activities and to make its facility available to identified students of School for such purposes.

**NOW, THEREFORE,** in consideration of the mutual promises contained herein, the parties hereby agree as follows:

#### 1. RESPONSIBILITIES OF SCHOOL.

a. **Clinical Program.** School shall be responsible for the implementation and operation of the clinical component of its program at Hospital (“Program”), which Program shall be approved in advance by Hospital. Such responsibilities shall include, but not be limited to, the following (i) orientation of students to the clinical experience at Hospital; (ii) provision of classroom theory and practical instruction to students prior to their clinical assignments at Hospital; (iii) preparation of student/patient assignments and rotation plans for each student and coordination of same with Hospital; (iv) continuing oral and written communication with Hospital regarding student performance and evaluation, absences and assignments of students, and other pertinent information; (v) supervision of students and their performance at Hospital; (vi) participation, with the students, in Hospital’s Quality Assurance and related programs; and (vii) performance of such other duties as may from time to time be agreed to between School and Hospital.

All students, faculty, employees, agents and representatives of School participating in the Program while on Hospital premises (“Program Participants”) shall be accountable to Hospital’s Administrator. School shall be responsible for causing all Program Participants to comply with the terms of this Agreement.

b. **Student Statements.** School shall require each Program Participant to sign a Statement of Responsibility in the form attached hereto as Exhibit A, and a Statement of Confidentiality in the form attached hereto as Exhibit B.

c. **Basic Life Support (BLS) Certification.** School shall provide to Hospital satisfactory evidence that each Program Participant has a current BLS certification.

d. **Health of Program Participants.** School shall provide to Hospital satisfactory evidence that each Program Participant is free from contagious disease and does not otherwise present a health hazard to Hospital patients, employees, volunteers or guests prior to his or her participation in the Program. Such evidence shall include without limitation the completion of a two step tuberculin skin test (within the last six months) or evidence that each Program Participant is free of symptoms of pulmonary disease if the skin test is positive, a chest x-ray following a positive TB test result, negative drug screening (completed within the thirty (30) day period prior to placement), physical examination, proof of rubella, and rubeola immunity by positive antibody titers or 2 doses of MMR, and evidence of completion of the series of three hepatitis B vaccinations (if required by applicable law or Hospital policy). In no event shall Hospital be financially or otherwise responsible for said medical care and treatment.

e. **Dress Code; Meals.** School shall require the students assigned to Hospital to dress in accordance with dress and personal appearance standards approved by School. Such standards shall be in accordance with Hospital's standards regarding same. Program Participants shall pay for their own meals at Hospital.

g. **OSHA Compliance.** School shall be responsible for compliance by Program Participants with the final regulations issued by the Occupational Safety and Health Administration governing employee exposure to bloodborne pathogens in the workplace under Section VI(b) of the Occupational Safety and Health Act of 1970, which regulations became effective March 6, 1992, and as may be amended or superseded from time to time (the "Regulations"), including, but not limited to accepting the same level of responsibility as "the employer" would have to provide all employees with (1) information and training about the hazards associated with blood and other potentially infectious materials, (2) information and training about the protective measures to be taken to minimize the risk of occupational exposure

to bloodborne pathogens, (3) training in the appropriate actions to take in an emergency involving exposure to blood and other potentially infectious materials, and (4) information as to the reasons the employee should participate in hepatitis B vaccination and post-exposure evaluation and follow-up. School's responsibility with respect to the Regulations also shall include the provision of the hepatitis B vaccination or documentation of declination in accordance with the Regulations.

h. **Training.** Prior to a student's first assignment at Hospital, Program Participants shall attend the Hospital's orientation training.

i. **Background Verifications.** School acknowledges each Program Participant shall be required to submit to a complete background check (completed within the six (6) months period prior to placement) as a condition of participation in the Program. School shall provide a copy of the completed background check to Hospital prior to the commencement of any Program Participant's participation in the Program. A background check will be considered "completed" if it includes, at a minimum, all of the following elements: (1) 7 year criminal background check in current and previous counties of residence and employment, (2) confirmation that the Program Participant is not listed as sexual offender and, if requested by Hospital, in any child abuse registry (3) evidence that the Program Participant is eligible to participate in all federal and state health programs and verification that the Program Participant is not on the OIG or SAM exclusion list and (4) any other element required by Hospital to meet state law requirements. Hospital shall have the right to require the withdrawal of any Program Participant in the event that Program Participant fails to meet the standards established by Hospital for acceptable background.

j. **Drug Screens.** Drug testing of students will only be performed in the event of reasonable suspicion and/or post incident. The screen will be conducted at the facility in which the student is attending.

k. **Indemnification.** School shall indemnify and hold Hospital harmless from and against any and all liability and costs, including attorneys' fees, resulting from a breach of Subsection 7.d. by School, Program Participants, School's agents or subcontractors.

## 2. **RESPONSIBILITIES OF HOSPITAL.**

a. Hospital shall communicate to School the number of Students School may assign to the Program. Hospital shall accept the students assigned to the Program by School and cooperate in the orientation of all Program Participants to Hospital. Hospital shall provide the opportunities for such students, who shall be supervised by School and Hospital, to observe and assist in various aspects of patient care. Hospital shall coordinate School's rotation and assignment schedule with its own schedule and those of other educational institutions. Hospital shall at all times retain ultimate control of the Hospital and responsibility for patient care.

b. Upon the request of School, Hospital shall assist School in the evaluation of each Program Participant's performance in the Program. However, School shall at all times remain solely responsible for the evaluation and grading of Program Participants.

c. Access to Facilities. Hospital shall permit Students enrolled in the Program access to Hospital's facilities as appropriated and necessary for their Program, provided that the Students' presence shall not interfere with Hospital's activities.

Student Supervision. Hospital shall permit Students to perform services for patients only when under the supervision of a registered, licensed or certified clinician/professional on Hospital's staff. Such clinicians or professionals are to be certified or licensed in the discipline in which supervision is provided.

3. **MUTUAL RESPONSIBILITIES.** The parties shall cooperate to fulfill the following mutual responsibilities:

a. Students shall be treated as trainees who have no expectation of receiving compensation or future employment from Hospital or School.

b. Any courtesy appointments to faculty or staff by either the School or Hospital shall be without entitlement of the individual to compensation or benefits for the appointed party.

4. **WITHDRAWAL OF PROGRAM PARTICIPANTS.**

a. Hospital may immediately remove from the premises any Program Participant who poses an immediate threat or danger to personnel or to the quality of medical services or for unprofessional behavior.

b. Hospital may request School to withdraw or dismiss a Program Participant from the Program at Hospital when his or her clinical performance is unsatisfactory to Hospital or his or her behavior, in Hospital's discretion, is disruptive or detrimental to Hospital and/or its patients. In such event, said Program Participant's participation in the Program shall immediately cease. Subject to the provisions of Subsection 4.a. above, it is understood that only School can dismiss the Program Participant from the Program at Hospital.

5. **INDEPENDENT CONTRACTOR.** The parties hereby acknowledge that they are independent contractors, and neither the School nor any of its agents, representatives, students or employees or Program Participants shall be considered agents, representatives, or employees of Hospital. In no event shall this Agreement be construed as establishing a partnership or joint venture or similar relationship between the parties hereto. School shall be liable for its own debts, obligations, acts and omissions, including the payment of all required withholding, social security and other taxes or benefits. No Program Participant shall look to Hospital for any salaries, insurance or other benefits. The provisions set forth herein shall survive expiration or other termination of this Agreement regardless of the cause of such termination.

6. **NON-DISCRIMINATION.** There shall be no discrimination on the basis of race, national origin, religion, creed, sex, age, sexual orientation, veteran status, disability or other legally protected classification in either the selection of students, or as to any aspect of the

clinical training; provided, however, that with respect to disability, the disability must not be such as would, even with reasonable accommodation, in and of itself preclude the student's effective participation in the Program.

7. **CONFIDENTIALITY.**

a. **Hospital Information.** School recognizes and acknowledges that, by virtue of entering into this Agreement and fulfilling the terms of this Agreement, School and Program Participants may have access to certain information of Hospital that is confidential and constitutes valuable, special and unique property of Hospital. School agrees that neither School nor any Program Participant will at any time, (either during or subsequent to the term of this Agreement), disclose to others, use, copy or permit to be copied, without Hospital's express prior written consent, except in connection with the performance of School's and Program Participant's duties hereunder, any confidential or proprietary information of Hospital, including, without limitation, information which concerns Hospital's patients, costs, or treatment methods developed by Hospital, and which is not otherwise available to the public.

b. **Terms of Agreement.** Except for disclosure to School's legal counsel, accountant or financial advisors (none of whom shall be associated or affiliated in any way with Hospital or any of its affiliates), neither School nor any Program Participant shall disclose the terms of this Agreement to any person, unless disclosure thereof is required by law or otherwise authorized by this Agreement or consented to by Hospital in writing. Unauthorized disclosure of the terms of this Agreement shall be a material breach of this Agreement and shall provide Hospital with the option of pursuing remedies for breach, or, notwithstanding any other provision of this Agreement, immediately terminating this Agreement upon written notice to School.

c. **Patient Information.** Neither School nor any Program Participant shall disclose to any third party, except where permitted or required by law or where such disclosure is expressly approved by Hospital in writing, any medical record or other patient information regarding Hospital patients, and School and Program Participant shall comply with all federal and state laws and regulations, and all bylaws, rules, regulations, and policies of Hospital and Hospital's medical staff, regarding the confidentiality of such information. School acknowledges that in receiving or otherwise dealing with any records or information from Hospital about Hospital's patients receiving treatment for alcohol or drug abuse, School and Program Participant are bound by the provisions of the federal regulations governing Confidentiality of Alcohol and Drug Abuse Patient Records, 42 C.F.R. Part 2, as amended from time to time.

d. **Privacy of Health Information.** School acknowledges that Hospital must comply with the applicable provisions of the Administrative Simplification section of the Health Insurance Portability and Accountability Act of 1996, codified at 42 U.S.C. § 1320 through d-8 ("HIPAA"), and the requirements of any regulations promulgated thereunder, including, without limitation, the federal privacy regulations as contained in 45 C.F.R. Parts 160 and 164, and the federal security standards as contained in 45 C.F.R. Parts 160, 162 and 164 (collectively, the "Regulations"). Accordingly, Hospital may only disclose Protected Health Information, as

defined in 45 C.F.R. 164.501, or Individually Identifiable Health Information, as defined in 42 U.S.C. § 1320d(6) (collectively, "Protected Health Information") to a student for purposes of providing treatment to Hospital patients or training the student to be a health care provider. A student may only request or use Protected Health Information about a Hospital patient for treatment and Hospital training program purposes. A student may only disclose Protected Health Information about a Hospital patient for treatment purposes to other health care providers involved in the patient's treatment or to Hospital's workforce members involved in the student's training program for hospital's training program purposes. A student shall not disclose Protected Health Information to School or its faculty, employees, agents or representatives unless direct patient identifiers are removed to create a limited data set in accordance with the limited data set standard at 45 C.F.R § 164.514(e) and the disclosure is pursuant to a limited data set use agreement between Hospital and School that satisfies Hospital's obligations under the limited data set standard. A student may disclose a patient's health information that has been de-identified in accordance with the de-identification standard at 45 C.F.R. § 164.514(a) - (c) to School or its faculty, employees, agents or representatives for School's use in evaluating the student.

School, students and other Program Participants shall not request, use or further disclose any Protected Health Information other than for the treatment and training purposes specified in this Agreement. School and Program Participants will implement appropriate safeguards to prevent the request for, use or disclosure of Protected Health Information other than as permitted by this Agreement. School will promptly report to Hospital any uses or disclosures, of which School or Program Participants become aware, of Protected Health Information in violation of this Agreement. In the event that School contracts with any agents or independent contractors to whom School provides Protected Health Information, School shall include provisions in such agreements pursuant to which School and such agents or independent contractors agree to the same restrictions and conditions that apply to School with respect to Protected Health Information. School will make its internal practices, books and records relating to the use and disclosure of Protected Health Information available to the Secretary of the United States Department of Health and Human Services to the extent required for determining compliance with HIPAA and the Regulations.

In the event a Hospital patient (or the patient's personal representative) requests access to Protected Health Information in a Designated Record Set (as defined in 45 C.F.R. § 164.501) of Hospital from School or a Program Participant, School or the Program Participant shall immediately forward such request and any such Protected Health Information in its, his or her possession to Hospital. If a Hospital patient (or the patient's personal representative) requests an amendment of Protected Health Information in a Designated Record Set of Hospital from School or a Program Participant, then School shall or the Program Participant shall immediately forward such request and any such Protected Health Information in its, his or her possession to Hospital. Further, School or Program Participant shall incorporate any amendment approved by Hospital into any amended Protected Health Information in School's or Program Participant's possession.

If School or a Program Participant receives a request for an accounting of disclosures of Protected Health Information from a Hospital patient (or the patient's personal representative), then School or the Program Participant shall within five days forward the request to Hospital.

School shall assist Hospital to determine whether any such request for an accounting is a request for an accounting of Hospital's disclosures or of School's disclosures. If Hospital determines that the request is a request for an accounting of School's disclosures and School is a Covered Entity (as defined in 45 C.F.R. § 160.103), then School shall provide the patient with the accounting required by 45 C.F.R. § 164.528. If Hospital determines that the request is a request for an accounting of Hospital's disclosures, then School and Program Participants shall within 10 days forward any information in School's or Program Participants' possession that is required for Hospital to make the accounting required by 45 C.F.R. § 164.528.

No attorney-client, accountant-client or other legal or equitable privilege shall be deemed to have been waived by School or Hospital by virtue of this Subsection.

e. **Audit.** School shall, within five business days of a written request from Hospital, make available during normal business hours at School or Hospital all records, books, agreements, systems, policies and procedures relating to the use or disclosure of PHI for the purpose of allowing Hospital to audit and determine School's compliance with this Section 7. If Hospital discovers any violation of this Section 7, School shall promptly remedy such violation following receipt of written notice describing the violation from Hospital and shall certify in writing that it cured the violation.

f. **Survival.** The provisions set forth in this Section 7 shall survive expiration or other termination of this Agreement, regardless of the cause of such termination.

## 8. **INSURANCE.**

a. School and Hospital shall secure and maintain at all times during the Term, at their respective sole expense, commercial general liability insurance, (such coverage to include, without limitation, claims based on a violation of Subsection 7.d. or any applicable State law or regulation concerning the privacy of patient information, if such insurance is reasonably available) covering themselves and their respective employees. School shall either provide coverage on behalf of Program Participants (students) or require Program Participants (students) to secure such coverage. Such coverage provided by School and Hospital may be afforded via commercial insurance, self-insurance, a captive, or some combination thereof at limits of at least \$1,000,000 per occurrence. Such insurance shall not be cancelable except upon 30 days' prior written notice to the other party. Such coverage shall be primary and non-contributory. Upon either party's request, the other party shall provide a certificate of insurance evidencing such coverage.

b. Such coverage provided by School and Hospital may be afforded via commercial insurance or self-insurance at the following limits:

Workers' Compensation:	Statutory limits
Employers' Liability:	\$1,000,000 each accident; \$1,000,000 disease policy limit;

\$1,000,000 disease each employee

Both School and Hospital agree to endorse such policy to (1) waive subrogation in favor of each other, and (2) have a 30-day notice of cancellation. Such coverage shall be primary and non-contributory. Upon either party's request, the other party shall provide a certificate of insurance evidencing such coverage.

c. School shall either provide coverage on behalf of Program Participants (students) or require Program Participants (students) to secure health insurance coverage.

d. School and Hospital each shall secure and maintain at all times during the Term, at their respective sole expense, professional liability insurance (medical malpractice), (such coverage to include, without limitation, claims based on a violation of Subsection 7.d. or any applicable State law or regulation concerning the privacy of patient information, if such insurance is reasonably available) covering themselves and their respective employees. School shall either provide coverage on behalf of Program Participants (students) or require Program Participants (students) to secure such coverage. Such coverage provided by School and Hospital may be afforded via commercial insurance, self-insurance, a captive, or some combination thereof at limits of at least \$1,000,000 per claim/occurrence and \$3,000,000 aggregate. Upon either party's request, the other party shall provide a certificate of insurance evidencing such coverage.

Such insurance shall not be cancelable except upon 30 days' prior written notice to the other party. Such coverage shall be primary and non-contributory. This coverage shall be either (1) on an occurrence basis or (2) on a claims-made basis. If the coverage is on a claims-made basis, both School and Hospital hereby agree that prior to the effective date of termination of their respective current insurance coverage, both parties shall purchase, at their respective expense, either a replacement policy annually thereafter having a retroactive date no later than the Effective Date or tail coverage in the above stated amounts for all claims arising out of incidents occurring prior to termination of the respective parties current coverage or prior to termination of this Agreement. Upon either party's request, the other party shall provide a certificate of insurance evidencing such coverage.

9. **TERM.** The term of this Agreement ("Term"), shall be two (2) year(s) commencing on the Effective Date. At the end of the Term and any Term Extension (as defined herein), the Term shall be automatically extended for additional terms of one (1) year each (a "Term Extension"), unless either party provides the other with written notice of termination as provided herein. As used herein, "Term" shall mean the period of time beginning on the Effective Date and ending on the last day of either the Term or the last Term Extension, as applicable.

#### 10. **TERMINATION.**

a. **Termination.** Either party may terminate this Agreement at any time without cause upon at least thirty (30) days' prior written notice, provided that all students currently enrolled in the Program at Hospital at the time of notice of termination shall be given

the opportunity to complete their clinical Program at Hospital, such completion not to exceed six (6) months.

b. **Effect of Expiration or Other Termination.** Upon expiration or other termination of this Agreement, School shall and shall cause Program Participants to either return or destroy all Protected Health Information received from Hospital or created or received by School or Program Participants on behalf of Hospital, and which School or Program Participants still maintain in any form. Notwithstanding the foregoing, to the extent that Hospital agrees that it is not feasible to return or destroy such Protected Health Information, the terms and provisions of Section 7 of this Agreement shall survive termination of this Agreement and such Protected Health Information shall be used or disclosed solely for such purpose or purposes which prevented the return or destruction of such Protected Health Information.

11. **ENTIRE AGREEMENT.** This Agreement and its accompanying Exhibits contain the entire understanding of the parties with respect to the subject matter hereof and supersede all prior agreements, oral or written, and all other communications between the parties relating to such subject matter. This Agreement may not be amended or modified except by mutual written agreement. All continuing covenants, duties and obligations herein shall survive the expiration or earlier termination of this Agreement.

12. **SEVERABILITY.** If any provision of this Agreement is held to be invalid or unenforceable for any reason, this Agreement shall remain in full force and effect in accordance with its terms disregarding such unenforceable or invalid provision.

13. **ARBITRATION.** Any dispute or controversy arising under, out of or in connection with, or in relation to this Agreement, or any amendment hereof, or the breach hereof shall be determined and settled by final and binding arbitration in the county in which the Hospital is located in accordance with the Commercial Rules of Arbitration (“Rules”) of the Judicial Arbitration and Mediation Services (“JAMS”) before one arbitrator applying the laws of the State. The parties shall attempt to mutually select the arbitrator. In the event they are unable to mutually agree, the arbitrator shall be selected by the procedures prescribed by the JAMS Rules. Any award rendered by the arbitrator shall be final and binding upon each of the parties, and judgment thereof may be entered in any court having jurisdiction thereof. The costs shall be borne equally by both parties. This provision shall survive expiration or other termination of this Agreement, regardless of the cause of such termination.

14. **ENTIRE AGREEMENT; MODIFICATION; GOVERNING LAW; COUNTERPARTS; NOTICES; WAIVER; ASSIGNMENT.** This Agreement contains the entire understanding of the parties with respect to the subject matter hereof and supersedes all prior agreements, oral or written, and all other communications between the parties relating to such subject matter. This Agreement may not be amended or modified except by mutual written agreement. This Agreement shall be construed in accordance with the laws of the State, which provision shall survive the expiration or other termination of this Agreement. This Agreement may be executed in one or more counterparts, all of which together shall constitute only one Agreement. All notices hereunder shall be in writing, delivered personally, by certified or registered mail, return

receipt requested, or by overnight courier, and shall be deemed to have been duly given when delivered personally or when deposited in the United States mail, postage prepaid, or deposited with the overnight courier addressed at the place identified on the signature page below. A waiver by either party of a breach or failure to perform hereunder shall not constitute a waiver of any subsequent breach or failure. School shall not assign or transfer, in whole or in part, this Agreement or any of School's rights, duties or obligations under this Agreement without the prior written consent of Hospital, and any assignment or transfer by School without such consent shall be null and void. This Agreement is assignable by Hospital without consent or notice.

15. **COMPLIANCE OBLIGATIONS.** School represents it read, understands, and shall abide by Tenet's Standards of Conduct. The parties to this Agreement shall comply with Tenet's Compliance Program and Tenet's policies and procedures related to the Deficit Reduction Act of 2005, Anti-Kickback Statute and the Stark Law. The School shall require anyone providing services to Hospital to read the Standards of Conduct and information concerning Tenet's Compliance Program and abide by same. Further, the parties to this Agreement certify that they shall not violate the Anti-Kickback Statute and Stark Law, and shall abide by the Deficit Reduction Act of 2005, as applicable, in providing services to Hospital. Hardcopies of any information shall be made available upon request.

16. **EXCLUSION LISTS SCREENING.** School shall screen all of its current and prospective owners, legal entities, officers, directors, employees, contractors, and agents ("Screened Persons") against (a) the United States Department of Health and Human Services/Office of Inspector General List of Excluded Individuals/Entities (available through the Internet at <http://www.oig.hhs.gov>), (b) the General Services Administration's System for Award Management (available through the Internet at <http://www.sam.gov>); and (c) any applicable state healthcare exclusion list (collectively, the "Exclusion Lists") to ensure that none of the Screened Persons are currently excluded, debarred, suspended, or otherwise ineligible to participate in Federal healthcare programs or in Federal procurement or nonprocurement programs, or have been convicted of a criminal offense that falls within the ambit of 42 U.S.C. § 1320a-7(a), but have not yet been excluded, debarred, suspended, or otherwise declared ineligible (each, an "Ineligible Person"). If, at any time during the term of this Agreement any Screened Person becomes an Ineligible Person or proposed to be an Ineligible Person, School shall immediately notify Hospital of the same.
