

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

January 20, 2015

Agenda Item: 4.3

Subject: Approval to Travel Abroad – Community Education Summer Peru Trip 2015,
Las Positas College

Background: Community Education at Las Positas College has over the years offered a variety of local and international travel opportunities for community members.

Most recently, in October 2011, the Board approved a relationship between Community Education and Collette Travel for international programs of travel abroad. This trip is organized in conjunction with Peru Hands On, and will be led by Dr. Barry Russell, who has extensive travel experience in that country and with that particular agency. This trip, while providing personal enrichment and the kind of learning that all travel exposure brings, is being offered through Community Education for personal enrichment for anyone in the Tri-Valley community.

The Voluntary Activity Waiver, Release and Indemnity Agreement will be signed by all attendees, which states that the intention of the participant is to exempt and relieve Chabot-Las Positas Community College District from liability for personal injury, property damage and wrongful death caused by negligence. Community Education will obtain a Ground Handler's Compliance form from Hands On Peru, and will recommend that travelers buy their own individual trip insurance policy.

Recommended Action: That the Board of Trustees approves the proposed Community Education Summer Trip to Peru 2015. It is further recommended that the Board authorize the Vice Chancellor, Business Services, to execute the appropriate documents pertaining to this event on behalf of the District.
