

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

March 17, 2015

Agenda Item: 5.6

Subject: Acceptance of National Institutes of Health (NIH) Bridges to the Baccalaureate Program Sub-award Agreement Amendment with the University of California, Berkeley (UCB), Chabot College

Background: Chabot College received a sub-award from UC Berkeley in 2011 and the Board approved the agreement April 19, 2011. The agreement was part of a NIH Bridges to the Baccalaureate Program that the UCB Transfer Alliance Project is leading in partnership with Chabot and Merritt Colleges. The program aims to substantially increase the transfer of students from underrepresented minority populations to biomedical and behavioral science degree programs at four-year institutions. Chabot will target new and continuing Chabot students in key majors, specifically students in pre-nursing/allied health and those in specific introductory major-specific courses. Grant funds pay for faculty and staff time to conduct program activities and achieve project outcomes.

This amendment renews their annual commitment and details the amounts awarded to Chabot each year, something that was omitted in the original sub-award agreement approved in 2011. In addition, the sub-award authorizes the project period to end March 31, 2015. An additional sub-award agreement will then be issued for the final 2015-16 project year when NIH renews the award next year. Annual funding is as follows:

2011-12: \$0 (no funds were invoiced for due to late start of project)  
2012-13: \$30,197.58  
2013-14: \$29,730.24  
2014-15: \$33,491.00  
Total: \$93,418.82

Recommended Action: That the Board of Trustees accepts the sub-award amendment for Chabot College in the amount of \$93,418.82 for the period April 1, 2012 through March 31, 2015. It is further recommended that the Board authorize the Vice Chancellor, Business Services, to execute the grant award on behalf of the District.
