

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

April 21, 2015

Agenda Item: 4.3

Subject: Approval of Memorandum of Understanding (MOU) - Affiliate Scholar Program with California State University East Bay (CSUEB), Chabot College

Background: California’s economy depends upon having a good supply of mathematics and science graduates for the State’s science and technology jobs. In order to increase future student interest and engagement in science, technology, engineering and math (STEM) fields, it is critical that we as an educational institution help to prepare and foster future teachers in science and math to foster the pipeline. Therefore, Chabot College would like to collaborate with CSUEB to identify and provide students who are interested in teaching, specifically math and science, an opportunity to participate in a pre-teaching cohort that provides pre-professional development and financial support for field experience opportunities in local K-12 classrooms.

The Board of Trustees has previously approved Memorandums of Understanding for Affiliate Scholar Program with CSUEB on February 17, 2015 under item 4.2, September 17, 2013 under item 4.4, November 15, 2011 under item 4.4.

Recommended Action: That the Board of Trustees approves the proposed Memorandum of Understanding (MOU) for the Affiliate Scholar Program with California State University East Bay (CSUEB), Chabot College in the amount of \$8,000 per year for the period of April 22, 2015 to August 30, 2019. It is further recommended that the Board authorize the Vice Chancellor, Business Services, to execute the MOU on behalf of the District.
