Chicano Latino Education Association

Mission

Since its founding in January of 1986, the purpose of CLEA is to advocate and support opportunities for Chicano Latino Students, faculty and staff at Chabot College, and to serve as a vehicle for alumni and friends of the community to continue a lifelong participation in its educational and cultural programs.

CLEA GOALS

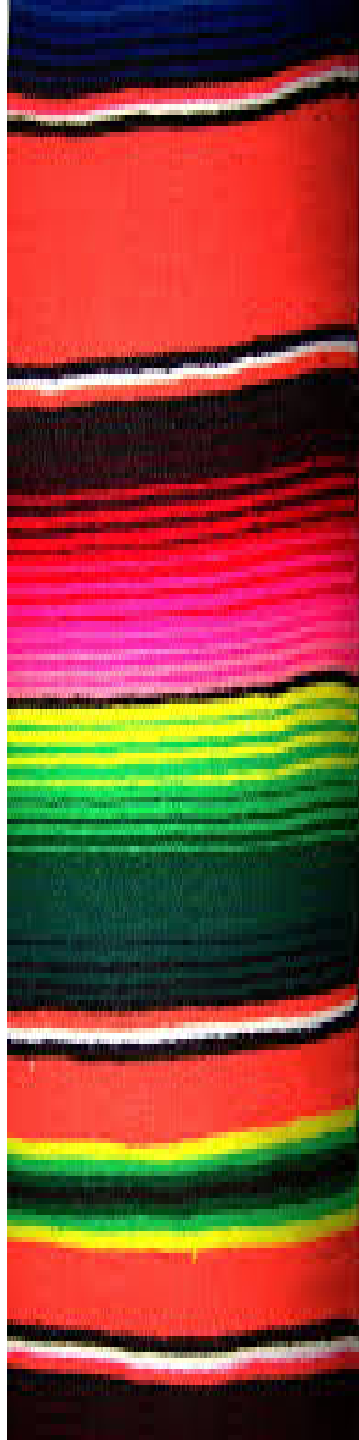

- The goals of CLEA include ensuring that the District:
- Increases access, retention and graduation rates of Chicano Latino students.
- Recruits, retains, promotes and tenures greater numbers of Chicano Latino faculty and staff.
- Provides increased opportunities for Chicano Latino faculty and staff to advance to administrative and policy making positions.
- Reflects the Chicano Latino experience throughout the curriculum.
- Improves its ties with and service to the Chicano Latino community

CLEA Scholarship Fund

Entering or continuing students are awarded CLEA scholarships which are funded through fundraising efforts of the Association.

- We support individuals dedicated to their educational achievements.
- CLEA has awarded over \$25, 000 in scholarships to Chabot Latino students.
