BP 7330 COMMUNICABLE DISEASE

References:

Education Code Sections 87408, 87408.6, and 88021

All newly hired academic and classified employees shall have on file with the District a medical certificate indicating freedom from communicable diseases, including tuberculosis. No academic or classified employee shall commence service until such medical certificate has been provided to the District.

All newly hired academic and classified employees must show that they have been examined within the past 60 days to determine that they are free from active tuberculosis.

All employees shall be required to undergo an examination within four years of employment and every four years thereafter to determine if they are free from tuberculosis.
