Agenda Item: 4.3

Subject: Approval of Amendment to the Agreement – Chamberlain College of Nursing and Chabot College Nursing Program

Background: Chamberlain College of Nursing would like a nursing faculty member at Chabot College to precept a Master’s Nursing Student in an Educational tract that lives in Hayward. We currently have a faculty member that is interested in having a Master’s student follow her in the classroom and clinical arena. This course will start on July 1, 2015 and the student will precept with our faculty member for 100 hours. Chabot College Nursing program has many teaching partnerships, and is continually serving the educational community by providing opportunities for student teaching externships. Chamberlain College made minor changes to the contract wording. The nursing program director has reviewed and is requesting Board approval of the changes.

Recommended Action: That the Board of Trustees approves the proposed Amendment to the Agreement with Chamberlain College of Nursing to provide for student teaching externships. It is further recommended that the Board authorize the Vice Chancellor, Business Services, to execute the amendment to the agreement on behalf of the District.
