This Memorandum of Understanding, herein referred to as "MOU," is entered into by and between San Lorenzo Unified School District and Chabot/Las Positas Community College District (herein collectively "educational institutions") who elect to accept its terms pursuant to Section 12 herein.

PREAMBLE

The purpose of this agreement is to facilitate the collection, analysis, and sharing of student data in order for San Lorenzo Unified students enrolling at Chabot/Las Positas Community College District to take advantage of the use of multiple measures (grades, GPA, etc.) when determining English and Math placement. To that end, member educational institutions sharing academic performance data concerning students who have or who are attending their institutions will ensure the confidentiality of records in accordance with FERPA (Family Education Rights and Privacy Act).

The educational institutions who choose to participate in this MOU desire to evaluate and improve their respective educational programs through the analysis of academic performance data concerning students who have or who are now attending mentioned educational institutions. It is necessary, therefore, for the educational institutions to share student data for the purpose of evaluating and analyzing their respective educational programs. However, termination by any participant(s) listed as a party will have no force or effect on the rights and responsibilities as to the remaining participants.

11. Warranties
