

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

September 15, 2015

Agenda Item: 5.5

Subject: Approval of Award to Paton Group for a 3D Printing System for Building 1600, Chabot College

Background: Chabot College’s Applied Technology and Business Department has a need to purchase a specialized 3D Printing System which is unique and special in nature as a patented and inkjet-based PolyJet technologies for teaching and training purposes.

Staff has conducted a market survey and determined that Stratasy is the sole manufacturer and proprietor of the design and technology of equipment. The reseller, Paton Group is the exclusive authorized dealer of the 3D Printing System. Staff has determined that it is in the best interest of the District to purchase the 3D Printing System from the Paton Group located in Altadena, California.

Recommended Action: That the Board of Trustees approves the proposed award to Paton Group of Altadena, California in the amount including taxes, not to exceed \$151,543.10 for purchase of a 3D Printing System for Building 1600, Chabot College. It is further recommended that the Board authorizes the Vice Chancellor, Business Services, to execute the contract on behalf of the District.
