CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

December 8, 2015

Agenda Item: 4.3

Subject: Approval of Amendment to the Participation Agreement - HealthStream, Inc.,
                  Chabot College

Background: In 2009 nursing programs throughout Northern California worked with Health Stream to create a hospital standard review for regulatory compliance standard for all hospitals in Northern California. These online modules would teach and test for compliance in HIPAA; Ethics, Sexual Harassment, Patient Rights, Informed Consent, Advanced Directive, Grievance, Appropriate Care, Culture Competence, Restraints and Seclusion, Patient Abuse/Assault/Neglect as well as standard safety requirements; hand hygiene, Bloodborne, Standard Precautions and Bloodborne Pathogens, lifting/transporting, slips/trips/falls, etc. Students completing these modules would meet the initial hospital requirements in Northern California for clearance to enter and treat patients as "student nurses." The process would eliminate individual hospital requirements for each rotation. The Chabot Nursing Program currently utilizes eight local hospitals for clinical rotations. Staff is working with the Chabot Medical Assistance Program and EMT Program to help standardize the requirements for all health-related studies at Chabot and Las Positas Colleges. These are the same modules currently used at UCSF Benioff Children's Hospital, and Eden Medical Center for their health-related personnel.

Funding for these online classes in school years 2015-2018 is paid directly to HealthStream by students in the Nursing Program at $14.00 per student for the four modules.

Recommended Action: That the Board of Trustees approves the proposed Amendment to the Participation Agreement with HealthStream, Inc. for the period of December 8, 2015 to July 31, 2018. It is further recommended that the Board authorize the Vice Chancellor, Business Services, to execute the agreement amendment on behalf of the District.
