Background: Each year the District Facilities Planning Department is responsible for conducting a review and update of the District’s Five-Year Construction Plan. The Five-Year Construction Plan is an annual summary of current and proposed capital outlay projects. The plan gives the State Chancellor’s Office a complete picture of the capital improvement needs and projects at the colleges, enabling the Chancellor’s Office to make informed decisions regarding project priorities for State Funding.

The 2018-2022 Five-Year Construction Plan includes twenty-one (21) projects. The following Five (5) projects are being submitted as Initial Project Proposals (IPPs): Building 1000 Renovation of School of the Art at Chabot College; Building 3000 Maintenance Operations Warehouse & Garage at Chabot College; Building 2100 Integrated Learning Center & Library Expansion at Las Positas College; Building 3400 Public Safety/Horticulture/Viniculture/Auto Tech/Welding at Las Positas College; Building 800 Academic Building – Allied Health at Las Positas College. It is anticipated that funding for these projects will be considered for funding year 2019-2020.
