

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

August 16, 2016

Agenda Item: 4.7

Subject: Approval of Transfer Opportunities Agreement with UC-Davis for University Undergraduate Admissions

Background: In August 2015, the Board approved an initial agreement with University of California- Davis, to support and enhance transfers by Chabot College and Las Positas College students to the University. The agreement provides for UC-Davis advisors to assist Chabot-Las Positas Community College District students with information about application, housing, transfer, and about curriculum and majors preparation. In addition to counseling and advising, the agreement provides for workshops and information sessions to be held at the campuses.

The colleges have found the Transfer Opportunities Agreement to be helpful for students, and wish to continue it for another year (the maximum period currently available for these agreements with UC-Davis).

Recommended Action: That the Board of Trustees approves the proposed Transfer Opportunities Agreement with UC-Davis for University Undergraduate Admissions in the amount of \$14,000 for the academic year ending June 30, 2017.
