

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

November 15, 2016

Agenda Item: 4.4

Subject: Acceptance of Grant Sub-Award Agreement with California State University, East Bay (CSUEB), in support of the “Greater Bay Area K20 Basic Skills Consortium” (Sub-Award No. W207600-232), Chabot College

Background: The California Community Colleges Chancellor’s Office (CCCCO) Basic Skills Partnership Pilot grant was awarded to Ohlone College in July 2016. Ohlone College has contracted out with CSUEB to serve as the pass-through agency for issuing sub-award agreements to the other partner colleges and universities in support of Greater Bay Area K20 Basic Skills Consortium. This new consortium seeks to pilot efficient and effective methods of coordinating basic skills instruction and services between the California Community Colleges and California State University (CSU) systems to better meet the needs of students and leverage resources between the two public higher education systems to serve the needs of these students. This is to be achieved through the implementation of partnerships between the following community college districts and CSU campuses: Berkeley City College, Chabot College, Las Positas College, Diablo Valley College, Mission College, the Peralta Community College District, CSUEB, San Francisco State University and San Jose State University.

A Chabot College lead representative will be assigned to serve on the consortium Steering Committee to advise and assist with the implementation of all aspects of the grant. The representative will serve as the local champion for the consortium within the Chabot College campus community and will convene ad-hoc campus working groups to inform the work of the consortium. He/she will also recruit campus representatives to participate in ad-hoc working groups consisting of representatives across the Bay Area region from other partnering institutions in order to assist with alignment and integration efforts. Finally, the lead representative will be responsible for working with consortium grant staff to secure any information needed for reporting purposes.

The project funding period is July 1, 2016 – June 30, 2018 and the total sub-award amount over the two-year project period is \$140,000. The sub-award period of performance funded in this action is July 1, 2016 – June 30, 2017 in the amount of \$70,000. A second year of funding is expected for the period July 1, 2017 – June 30, 2018 in the amount of \$70,000. No activities under the grant will be undertaken prior to Board approval of the agreement.

Recommended Action: That the Board of Trustees approves the Greater Bay Area K20 Basic Skills Consortium Sub-award for Chabot College in the amount of \$70,000 for the performance period of July 1, 2016 through June 30, 2017. It is further recommended that the Board authorize the Vice Chancellor, Business Services, to execute the agreement on behalf of the District.
