The Comprehensive Plan will include goals and objectives for meeting the mission, sustained financial stability, and continuous improvement of quality and effectiveness.

On a three-year basis, strategic priorities will be identified from the goals and objectives, to serve as areas of focus for the Colleges and District.

College Educational Master Plan

Each College will complete an Educational Master Plan (EMP) that aligns with the District Strategic Plan, and includes College long term goals and measurable objectives. The EMP will contain plans for instructional programs, student support services, and learning support services, including but not limited to degree programs, transfer programs, career technical programs, noncredit courses and programs, remedial and developmental programs, online education, library services, counseling, placement, and financial aid. The Program Review will provide a program-level assessment of progress in meeting strategic priorities, goals and objectives included in the Educational Master Plan and District Strategic Plan. The Program Review will also evaluate the effectiveness of core functions of the program, impact on academic quality and institutional effectiveness, future plans and resource needs.
