General Motors Technology Donation Program

To: CHABOT COLLEGE

General Motors Corporation (GM) is pleased to support your automotive training program through this donation as part of the General Motors Service Operations on-going support of technical training.

General Motors, the leading charity in the field of product philanthropy, has partnered with GM as the donation coordinator for the program.

Attached is the **Authorization to Release (AR)** and the **Receipt of Donation Confirmation (RDC)**. Please contact **GM Dealership** and arrange to take possession within 10 business days. Once you've taken possession, please sign and email the **Receipt of Donation Confirmation (RDC)** to **GMDonations@TrainingSupportAdmin.com**.

If this is an Essential Tool Donation, please do the following:

Immediately after receiving the Essential Tools, verify the tools you received and reconcile with the tools list sent to you.

- Please make distinct check marks next to the tools you receive.
- Please do not use **HIGHLIGHTER**
- Please include a copy of the checked tool list when you email **Receipt of Donation Confirmation (RDC)** to **GMDonations@TrainingSupportAdmin.com** once the donated goods have been received.

Thank you again for your training partnership with GM. We value your involvement.
