

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

May 16, 2017

Agenda Item: 4.1

Subject: Acceptance of California Community Colleges Chancellor's Office (CCCCO) Grant #17-200-003, Assessment, Remediation and Retention for Associate Degree Nursing Program Grant, Chabot College

Background: This CCCCCO nursing program grant is a renewal of a grant that has been awarded on an annual basis to Chabot College since 2012. The intent of these funds is to respond to the nursing shortage by supporting the retention of nursing students in nursing programs. The funds are allocated to colleges with Associate Degree Nursing Programs (ADN) to support improved student retention and success.

Chabot College will use these funds to increase the retention of nursing students by reducing the student to instructor ratio for the clinical cohort to 8:1 through additional skills lab and simulation lab support, faculty professional development, and TEAS testing.

Funding for these efforts are provided in the amount of \$114,000 for the period July 1, 2017 through June 30, 2018.

Recommended Action: That the Board of Trustees accepts the grant and approves the agreement with the California Community Colleges Chancellor's Office Assessment, Remediation and Retention for Associate Degree Nursing Programs, Chabot College, in the amount of \$114,000 for the period July 1, 2017 through June 30, 2018. It is further recommended that the Board authorize the Vice Chancellor, Business Services, to execute the grant renewal on behalf of the District.
