Education Code Section 76011

The district maintains shower facilities for student use on campus that may be used by any student who is homeless, and who is enrolled in a minimum of .5 (one-half) unit of coursework, has paid enrollment fees, and is in good standing with the district.

*A student who is homeless* is defined as a student who does not have a fixed, regular, and adequate nighttime residence. This includes, but is not limited to, students who: are sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason; are living in motels, hotels, trailer parks, or camping grounds due to lack of alternative accommodations; are living in emergency or transitional shelters; have a primary nighttime residence that is a public or private place not designated for or ordinarily used as a regular sleeping accommodation for human beings; or are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings.

The Chancellor or Chancellor's designee at each college shall create a protocol for use of shower facilities by students who are homeless. The protocol shall include at a minimum:

- The locations of shower facilities open to use by students who are homeless.
- The days and hours of availability (not less than two hours per weekday).
- The plan of action if hours of operation conflict with an intercollegiate athletic program.
- The means by which the availability of shower facilities and related information will be made known.
