Dear Dr. Russell:

Subject: Fiscal Year 2016–17 California State Preschool Program Expansion Funds
Request for Applications

The California Department of Education (CDE), Early Education and Support Division (EESD) has completed its review of applications submitted in response to the California State Preschool Program (CSPP) Expansion Funds Request for Applications (RFA). We are pleased to inform Chabot Las Positas Community College District that your application is eligible for CSPP funding. Because the amount of funding authorized in the Fiscal Year (FY) 2016–17 Budget Act for the CSPP Expansion Funds exceeds the amount of funding requested in all applications received, your agency has been selected to receive the total amount requested in your application. This offer of funding is made pursuant to Management Bulletin 16-16, for sites listed on Attachment A.

The proposed award for FY 2016–17 represents the funding necessary for program operation from April 1, 2017, through June 30, 2017. The FY 2017–18 amount represents the funding necessary for program operation from July 1, 2017 through June 30, 2018.

Final contract terms will be negotiated between your agency and the CDE Child Development and Nutrition Fiscal Services (CDNFS) Unit. A fiscal representative from the CDNFS unit will contact your agency to finalize the contract terms. Upon completion of contract negotiations, your agency will be mailed a contract for your signature. Any costs incurred outside the performance period of a fully executed contract may not be reimbursed. Contracts for subsequent fiscal years (July 1 through June 30, annually) are renewed each spring through a continued funding application process and are subject to CDE approval.

Congratulations on the submission of a successful application. Your commitment to provide CSPP services to eligible children is highly commendable. The EESD looks forward to maintaining an ongoing positive relationship in support of families and children of California.
