

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

August 15, 2017

Agenda Item: 4.6

Subject: Approval of Agreement – Fremont Hospital for Health Programs, i.e. Nursing, Medical Assisting, Paramedic and Emergency Medical Technician, Chabot-Las Positas Community College District

Background: Through the Affiliation Agreement, first approved by Board of Trustees and signed on July 1, 2001, the Fremont Hospital has provided practical clinical experience for students of the Chabot-Las Positas Community College District in health care programs of study.

The requirements of these programs include that students must gain clinical experiences outside the standard classroom setting. This agreement includes requirements from the programmatic accreditors for clinical placements in the particular health care programs. As a contribution to community health education, Fremont Hospital would like to continue providing students at Chabot College and Las Positas College the opportunity to gain practical clinical experiences. This agreement continues the partnership with Fremont Hospital for a three year period, from September 1, 2017 through August 30, 2020 unless terminated within 30 days by either party.

Recommended Action: That the Board of Trustees approves the proposed Agreement with Fremont Hospital for Health Programs, i.e. Nursing, Medical Assisting, Paramedic and Emergency Medical Technician, Chabot-Las Positas Community College District. It is further recommended that the Board authorize the Vice Chancellor, Business Services, to execute the agreement on behalf of the District.
