

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

November 14, 2017

Agenda Item: 4.1

Subject: Acceptance of Grant Agreement No. 17-034-006 - California Community Colleges Chancellor's Office (CCCCO), Mathematics, Engineering, Science Achievement (MESA) Grant Award, Chabot-Las Positas Community College District, Chabot College

Background: Chabot-Las Positas Community College District, Chabot College has been awarded a \$74,515 grant from the California Community Colleges Chancellor's Office. Funds support continuing a MESA (Math, Engineering, Science Achievement) Program at Chabot College. The MESA program academically prepares its program students for transfer to four-year institutions to assure their ability to attain baccalaureate degrees in Science, Technology, Engineering, and Math (STEM) fields.

The MESA program model is comprised of 13 Core Components that include: Academic Excellence Workshops that teach collaborative learning techniques, a special orientation course for MESA students, a dedicated study center, career advising and exploration of STEM options, transfer assistance, scholarships and partnerships with student and professional organizations. The Chabot MESA Program will provide all 13 Core MESA Components which includes frequent, sustained and prolonged academic and student support services, including case management by the MESA Counselor.

The Chabot MESA Program will benefit all Chabot students, but will target underrepresented minorities in STEM, in particular Latino, African-American, and Pacific-Islander students. Taking into account the student population at Chabot, we will also be targeting low-income, first-generation students majoring in STEM fields. The program will serve a total of 125 students from these targeted populations.

Funding for the project is in the amount of \$74,515 for the funding year 2017-2018 for the period beginning November 15, 2017 through June 30, 2018, and can be renewed each of the succeeding two years, to a maximum of three years.
