

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

January 16, 2018

Agenda Item: 4.7

Subject: Approval of the 2017-19 Integrated Plan for Basic Skills Initiative, Student Equity, and Student Success and Support Program, Chabot College

Background: The California Community Colleges Chancellor's Office has been undergoing an effort to integrate programs funded through its offices. Currently, there are three Chancellor's Office initiatives that are required to be integrated: Basic Skills Initiative (BSI), Student Equity Program (SE), and Student Success and Support Program (SSSP). These programs were selected as a starting point for integrative efforts for two main reasons: 1) all three have the same ultimate goal of increasing student success while closing achievement gaps; and 2) there is a strong potential for overlap between and among the programs.

The integrated BSI/SE/SSSP program model promotes integrated planning and program coordination at the district and college levels. In coming years, the Chancellor's Office intends to pursue changes in Education Code and Title 5 regulations to achieve even greater integration and alignment of the three programs in subsequent planning cycles.

The Plan was developed in consultation with students, staff, administrators, faculty, Academic Senate, and members of the community as appropriate. The plan is based on the Student Milestones Framework. The identified objectives are data driven and aligned with the 5 Framework Goals:

1. Provide a Strong Start
2. Support Student Engagement & Course Completion
3. Sustain Persistence
4. Sustain Persistence Towards Completion
5. Finalize Completion

Recommended Action: That the Board of Trustees approves the 2017-19 Integrated Plan for Basic Skills Initiative, Student Equity, and Student Success and Support Program, Chabot College.
