

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

March 20, 2018

Agenda Item: 5.4

Subject: Approval of Award of a Piggyback Contract for Equipment for Las Positas College, Instructional using the CollegeBuys Purchasing Program

Background: District Staff is preparing for the purchase, delivery and installation of an Instructional server backup appliance needed to ensure the integrity and availability of the instructional servers located at Las Positas College. The appliance will backup critical files and applications used by all instructional programs and departments. To make the purchase of the required equipment, the piggyback contracting method has been selected. Public Contract Code Section 20652 authorizes the use of this method when it is in the best interest of the District.

The CollegeBuys Purchasing Program is a cooperative purchasing program made available by the Foundation for California Community Colleges. The CollegeBuys contract planned for this use is the equipment contract with ComputerLand of Silicon Valley. This piggybackable contract utilizes a previously conducted bidding process and contract award of the Foundation for California Community College Consortium Member Schools.

Recommended Action: That the Board of Trustees approve the award of a piggyback contract for equipment for Las Positas College, Instructional using the CollegeBuys Purchasing Program, to ComputerLand of Silicon Valley of San Jose, California, in the amount including taxes, not to exceed \$126,689.23. It is further recommended that the Board authorize the Vice Chancellor, Business Services to execute the purchase order on behalf of the District.

Funding Source: Measure A Bond Funds
