September 18, 2018

Agenda Item: 4.6

Subject: Approval of the Cooperative Agreement No. 18-Puente-CC-03 between The Regents of the University of California on behalf of the Puente Project and Chabot-Las Positas Community College District, Las Positas College

Background: The mission of the Puente Project is to increase the number of educationally underrepresented students who enroll in four-year colleges and universities, earn degrees, and return to the community as leaders and mentors to future generations. The first Puente Project was initiated at Chabot College in 1981. Since that time, the model has been replicated at colleges and high schools throughout the State of California, with the oversight of the Puente Project centralized through The Regents of the University of California. The Puente Project was in 2012-2013 between the University of California and Las Positas College.

The agreement will take effect upon approval by the Board. The Puente Project funding covers services provided during the period 2018-2019, 2019-2020, and 2020-2021.

Recommended Action: That the Board of Trustees approves Cooperative Agreement No. 18-Puente-CC-03 between The Regents of the University of California on behalf of the Puente Project and Chabot-Las Positas Community College District, Las Positas College. It is further recommended that the Board authorize the Vice Chancellor, Business Services to execute the agreement on behalf of the District.
