

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

September 18, 2018

Agenda Item: 5.5

**Subject:** Approval of Award of a Piggyback Contract for Projector Equipment to replace the current projector equipment, which is outdated at Chabot College through the National IPA Purchasing Program

Background: College Staff is preparing for the purchase and delivery of projectors for classrooms at Chabot College. These devices will replace the current outdated classroom projectors. These devices will improve classroom learning with higher resolution images and device reliability because of the newer technology. To make the purchase of the Projector Equipment, the piggyback contracting method has been selected. Public Contract Code Section 20652 authorizes the use of this method when it is in the best interest of the District.

The National IPA Purchasing Program is a cooperative purchasing program made available to public agency and government entities. The National IPA contract planned for this purchase is contract number 171725 awarded for Panasonic equipment and purchased through One Diversified, LLC. This piggybackable contract utilizes a previously conducted bidding process and contract award to the City of Tuscon, AZ.

Recommended Action: That the Board of Trustees approve the award of a piggyback contract for Projector Equipment to replace the current equipment, which is outdated at Chabot College using the National IPA Purchasing Program, awarded to Panasonic, purchased through One Diversified, LLC, in the respective amounts including taxes, not to exceed \$188,329.53. It is further recommended that the Board authorize the Vice Chancellor, Business Services to execute the purchase order on behalf of the District.
