

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

September 18, 2018

Agenda Item: 7.5

Subject: Approval of Contract for Title IV-E Training between County of Lake and Chabot Las Positas Community College District, District-Economic Development

Background: Lake County’s Department of Social Services Agency has contracted with the Chabot-Las Positas Community College District in the past to provide training to group home providers, resource families, foster family agencies and Social Services Agency staff located in Lake County. Lake County’s Department of Social Services has requested that we provide these services again for the upcoming 2018-2019 fiscal year in the amount of \$1,000,000.

Under the terms of this agreement, CLPCCD will subcontract with an existing partner, Redwood Community Services as well as other vendors to deliver the training and provide consulting related to caring for out-of-home children and youth. There is a standard subcontract utilized with the subcontractors for this Agreement (see attached). We are also required to create and implement contracts with vendors for hosting workshops and provide other training services and supplies that qualify under this Agreement. There is a standard contract format utilized with vendors (see attached).

The contract requires in-kind match as part of the District’s responsibility, which consists of the value of project related staffing, overhead and facilities costs.

Recommended Action: That the Board of Trustees approves the Contract for Title IV-E Training between County of Lake and Chabot-Las Positas Community College District, District-Economic Development, for the period September 19, 2018 through June 30, 2019, in the amount of \$1,000,000. It is further recommended that the Board authorize the Vice Chancellor, Business Services, to execute the Agreement on behalf of the District.
