

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

November 13, 2018

Agenda Item: 5.4

Subject: Award of Bid No. BID No.: 19-04, Telecommunications Backbone Cabling Upgrade, Chabot College

Background: District staff conducted formal Bid No. 19-04, Telecommunications Backbone Cabling Upgrade, Chabot College for the selection of a contractor to provide fiber (data) and copper (voice) backbone cabling to select buildings on the Chabot College campus. Completion of this project will improve data and voice connectivity within the college’s buildings. The bid was publicly advertised and three (3) bidders provided responses. The public bid opening held at the District on October 23, 2018 resulted in the following bid amounts:

<u>Responsible Bidder</u>	<u>City</u>	<u>Bid Amount</u>
CalCoast Telecom	San Jose, CA	\$579,079.00
McMillan Data Systems	San Francisco CA	\$343,680.00
SASCO Data Systems	Milpitas, CA	\$343,832.00

The bid from McMillan Data Systems was incomplete and deemed non-responsive. An evaluation of the bids results in a recommendation to award to SASCO Data Systems of Milpitas, CA as the lowest responsible and responsive bidder.

Recommended Action: That the Board of Trustees award Bid No. 19-04, Telecommunications Backbone Cabling Upgrade, Chabot College to SASCO Data Systems of Milpitas, CA for a total amount, including tax and shipping of \$343,832.00. It is further recommended that the Board authorize the Vice Chancellor, Business Services, to execute the purchase order and any future augmentations or amendments to the purchase order on behalf of the District.

Funding Source: Measure B Bond Funds

Submitted: Ronald P. Gerhard/Date
