

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

February 19, 2019

Agenda Item: 6.7

Subject: Approval of Award of Contract with Cupertino Electric, Inc. for Pre-Construction and Construction Services for Las Positas College Medium Voltage Substation Replacement (RFP-J-19)

Background: The District issued a request for proposal (RFP J-19) on January 7, 2109, seeking proposals from contractors capable of replacing the campus 21 KV switchgear. Three firms responded to the RFP, a three person panel consisting of district staff and consultants scored the received written proposals. Following completion of the scoring, the committee recommends awarding the contract to Cupertino Electric, Inc., San Jose, CA as the top rated firm for this RFP.

Base Fee	\$ 604,500
District Allowance	<u>\$ 60,450</u>
Not to Exceed Amount	\$ 664,950

Recommended Action: That the Board of Trustees approve the proposed award of contract to Cupertino Electric, Inc. for the Las Positas College Medium Voltage Switchgear in the amount not to exceed \$ 664,950 which includes basic services and a district allowance for unforeseen conditions. It is also recommended that the board authorize the Vice Chancellor of Business Services to execute the agreement on behalf of the District.

Funding Source: Measure A Bond Funds and State Funded Scheduled Maintenance Funds
