

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

May 21, 2019

Agenda Item: 7.11

Subject: Approval of Renewal - County of Solano Standard Contract No. 00591-20,
District-Economic Development

Background: Solano County’s Health and Social Services Department has contracted with Chabot-Las Positas Community College District’s Economic Development department to provide training to people who work with the out of home children and youth of Solano County since 2003-04. The County has requested that we continue to provide training services for the 2019-20 fiscal year.

As with the previous contracts, we will be working closely with our partners, A Better Way, Aldea, Alternative Family Services and Seneca Center, to deliver training to their own staff as well as to other Solano County community-based agencies serving foster children. Additionally, the County’s Child Welfare Services incorporates training for their staff as part of this contract. The contract is funded through Title IV-E federal funds, and the reimbursement is in the amount of \$490,029.

The contract states that Solano County will pay the District up to \$490,029 for training services provided. This contract has a term of twelve months (July 1, 2019 to June 30, 2020). The contract requires an in-kind match, which is the District’s responsibility, which consists of the value of staffing, overhead and facilities costs.

Under the terms of this contract, the role of fiscal agent requires that we create and implement contracts with subcontracting agencies and vendors to deliver services as required. There is a standard contract format utilized with the vendors, sample attached.

Recommended Action: That the Board of Trustees approves the proposed renewal of County of Solano Standard Contract No. 00591-20, District – Economic Development in the amount of \$490,029 for the period of July 1, 2019 through June 30, 2020. It is further recommended that the Board authorize the Vice Chancellor, Business Services, to execute the standard contract on behalf of the District.
