STATEMENT OF STUDENT'S RESPONSIBILITIES

I acknowledge that I voluntarily agree to participate in a student training program centered around the proper and safe operation of providing dialysis and/or peritoneal related services to patients with end-stage renal disease (the "Student Internship Program") operated by **DaVita Dialysis Contracting, LLC** ("Company"), which will be administered under the laws and regulations of the state where I complete the Student Internship Program. I understand that more information on Student Internship Program state laws and restrictions is available through my Facility administrator at the Student Internship Program Facility.

I also acknowledge and agree that in order to participate in the Student Internship Program and observe Company patients, I agree to act within the scope of instructions given to me, and I will always conduct myself in a safe and prudent manner. I also acknowledge that I have discussed and will continue to discuss the Facility operations with the appropriate members of the care team and/or faculty members of **Chabot College** ("Sponsoring Institution"), and have learned about the various risks and dangers that I may be exposed to when I enter the Facility. The risks we have discussed include, without limitation, the risk of exposure to blood products and fluids, which could result in exposure to and infection with the AIDS virus or hepatitis, as well as the risk of exposure to other infectious diseases, such as tuberculosis and other airborne diseases or pathogens and other inherent risks associated with interacting with the public and patients at the Facility.

I also understand I will not be asked to, and will not, enter any patient record information or submit any billing or reimbursement information under health care programs. All billing and patient information is entered by Company employees.

It is the intention of the Company that my Student Internship Program experience and activities be educational, pleasant, and rewarding. In the event that any Student Internship Program experience or observation I see which is questionable, objectionable or if I am uncomfortable with a task I am asked to do, I am urged to seek out Facility or Company management to voice my concerns privately with a Company manager. I am also free to call the DaVita Compliance Hotline at 888.458.5848 in the event I feel my concerns are not properly addressed in the Facility.

For and in consideration of the benefit provided to me in the form of observing, monitoring and assisting with appropriate administrative and clinical tasks detailed to me by the Facility manager or the mentor assigned to me, I and my heirs, successors, and/or assigns do hereby covenant and agree to assume all risks and be solely responsible for any injury or loss sustained by me while participating in the Student Internship Program operated by Sponsoring Institution at the Facility.

In addition to the foregoing, I and my heirs, successors, and/or assigns hereby covenant and agree to indemnify and hold harmless Company and Facility for any injury or loss sustained by me while participating in the Student Internship Program operated by Sponsoring Institution at

Facility, or any injury or loss arising from my actions while participating in the Student Internship Program or being at the Facility.

Any capitalized terms not otherwise defined herein this Exhibit B have the meaning ascribed to them in the Student Training Agreement between Company and Sponsoring Institution.
