

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

July 21, 2020

Agenda Item: 6.4

Subject: Approval of Award of Contract with Sandis Civil Engineers, Surveyors, Planners for Engineering Services for the Domestic Water Booster System Project at Las Positas College

Background: The District issued a Request for Qualifications (RFQ) B-18 on September 5, 2017, seeking qualified Architectural and Engineering (A/E) Services firms for Measure A Projects. Following established procurement procedures, a Pre-Qualified list of Architectural and Engineer Services Firms was established.

Sandis Civil Engineers, Surveyors, Planners recently completed an analysis of the domestic water system pressures for the Las Positas College Campus. As part of that analysis, several options were identified to improve overall water system pressure, both for existing and planned buildings. The District has decided to proceed with Option 1 – construction of a pump station to raise the pressure of the whole campus. The purpose of this proposal is to provide design, bid and construction support to implement this option.

Base Fee	\$ 90,985.00
<u>District Allowance</u>	<u>\$ 9,098.50</u>
Not to Exceed Amount	\$100,083.50

Recommended Action: That the Board of Trustees approves the proposed Award of Contract with Sandis Civil Engineers, Surveyors, Planners of Oakland, CA, for Engineering Services for the Domestic Water Booster System Project at Las Positas College in an amount not to exceed \$100,083.50. It is also recommended that the Board authorize the Vice Chancellor, Business Services, to execute the agreement on behalf of the District.
