

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

July 21, 2020

Agenda Item: 6.9

Subject: Approval to Reject all bids of Bid No. B19/20-18 District-Wide Emergency Call Station Project

Background: The District issued Bid No. B19/20-18 on June 5, 2020. The invitation of bid was in accordance with the state public bidding requirements. The purpose of this request was to receive comprehensive proposals for District-Wide Emergency Call Station Project. On June 16, 2020 mandatory bid walks were held and attended by twelve (12) interested parties. The public bid opening held via Zoom Conference on July 1, 2020 resulted in the following bid amounts:

<u>Bidder</u>	<u>City, State</u>	<u>Bid Amount</u>
Integra Construction Services	Pleasanton, CA	\$ 1,887,000.00

An evaluation of the apparent lowest bidder was done by staff. This results in a recommendation to reject the bid from Integra Construction Services of Pleasanton, CA as the lowest responsible and responsive bidder, due to lack of budget. The power of public agency to reject all bids received through competitive bidding is well recognized. In regards to competitive bidding for public works projects, the public agency must award to the lowest responsive responsible bidder or reject all bids (Public Contract Code 20111 and 20651). California case law authority is fully supportive.

Recommended Action: That the Board of Trustees REJECT all bids for proposed Award of Bid No. B19/20-18 District Wide Emergency Call Station Project, including the single bid received from Integra Construction Services of Pleasanton, CA in the amount of \$1,887,000.00.
