Journalism Grievance Procedures

Definition of a Grievance—A student journalistic grievance is a complaint that alleges facts which, if true, would demonstrate a violation of the grievant's right to free inquiry, free speech, or fair treatment; contains allegations that appear to be substantially credible; and is not frivolous.

The student grievance process is described in AP 5530 Student Rights and Grievances and allows for both informal and formal proceedings. These are described specifically in the administrative procedure and apply to any journalistic grievance.

~~**Informal Grievance Proceedings**— Describe a procedure that includes a written complaint to those with direct responsibility for the program and their responsibilities to respond in a timely manner.~~

~~**Formal Grievance Proceedings**— More formal grievance procedures may include a grievance hearing committee and appeal to the Chancellor or designee in a timely fashion. The procedures should include how grievance hearings should be conducted, access to and maintenance of related records, and the responsibility of the authorities to respond to the grievance in a timely fashion.~~
