

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

April 20, 2021

Agenda Item: 5.5

Subject: Approval of Award of a Piggyback Contract for an Audio-Visual Refresh for Conference Room 1687 at Las Positas College Using the Omnia Partnership Agreement with the University of California State Contract

Background: The District is preparing for the purchase, delivery, and installation of audio-visual equipment for the 1687 conference room at Las Positas College. The conference room equipment is obsolete and needs upgrading to the latest audio-visual standards. To make the purchase of the required equipment, the piggyback contracting method has been selected. Public Contract Code Section 20652 authorizes the use of this method when it is in the best interest of the District.

Omnia Partnership’s agreement with the University of California manages a cooperative purchasing program offering highly discounted audio-visual equipment available to all public sectors across the U.S. The Omnia Partnership contract planned for this use is with AVI-SPL Company in an amount not to exceed \$71,168.52.

Recommended Action: That the Board of Trustees approve the award of a piggyback contract for audio visual refresh for conference room 1687 at Las Positas College using the Omnia Partnership cooperative purchasing program, to AVI-SPL Company of Berkeley, CA in the respective amounts including taxes, not to exceed \$71,168.52. It is further recommended that the Board authorize the Vice Chancellor, Business Services to execute the purchase order on behalf of the District.
