

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

June 15, 2021

Agenda Item: 5.8

Subject: Approval to Purchase Online Instructional Tools through the Systemwide Technology Access Collaborative (STAC) with the Foundation for California Community Colleges (FCCC) for Chabot College and Las Positas College

Background: The California Community Colleges Chancellor’s Office (Chancellor’s Office), in an effort to expand support for the community colleges during the COVID-19 pandemic, has collaborated with the California Virtual Campus - Online Education Initiative (CVC) and the Foundation for California Colleges’ CollegeBuys program to centralize access and procurement of online education tools at a time when most of our instructional and student support services are delivered virtually. With this intent, the CCC Systemwide Technology Access Collaborative (STAC) was created, informed by CVC expertise in the community college digital environment, and CollegeBuys experience in securing special contract pricing for our system. The purpose of STAC is to leverage greater economies of scale that lead to expanded cost savings by centrally coordinating procurements of online education tools.

Services purchased through STAC by the District will be active July 1, 2021–June 30, 2022, for a total cost of \$176,690.
