

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

August 17, 2021

Agenda Item: 5.6

Subject: Approval of Robert Half Technology Open Purchase Order No. B220056 for Server Support and College VMWare Analysis, Chabot-Las Positas Community College District, District Office

Background: The Chabot-Las Positas Community College District, District Office recommends approval of the Robert Half Technology Open Purchase Order No. B220056 for system engineering hours for server support and college VMWare analysis project. This project works with the College IT Departments and the Application Services team to resolve performance issues on servers hosted in VMWare and rectify network issues on the network.

The open purchase order no. B220056 will total \$95,000 for invoices to be paid during FY 2021-2022.

Recommended Action: That the Board of Trustees approve the Robert Half Technology open purchase order no. B220056 in the amount of \$95,000. It is further recommended that the Board authorize the Vice Chancellor, Business Services to execute the purchase order on behalf of the District.
