# Guided Pathways: Student Success Teams

Board of Trustees Meeting November 16, 2021

## California Guided Pathways Demonstration Project 2.0

- Goal: to empower college teams to take the work of guided pathways back to their college campus and move forward on implementing or evolving guided pathways
- Las Positas College selected as 1 of 20 California community colleges (2020)
- Focus on development and implementation of **Student Success Teams**
- Cross-Functional Team

A **student success team** can be an academic, student and administrative services team that collaborates to plan and implement data-informed, equity-infused practices and holistic support along the student journey.

# Academic and Career Pathways Serves Our Students
