

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

November 16, 2021

Agenda Item: 4.4

Subject: Approval of Subrecipient Commitment for Joint Project with California State University, East Bay and Chabot-Las Positas Community College District Entitled the East Bay, College Agile Network Funded by the ECMC Foundation

Background: For the past three years, the leadership at California State University, East Bay (CSUEB) has been in conversation with the leadership of the Chabot-Las Positas Community College District (CLPCCD) to develop stronger connections and programs. The objective has been to seek ways that CSUEB and CLPCCD can leverage and strengthen existing relationships and initiatives across systems in order to identify and remove barriers that impede student success. A proposal was developed, and submitted to the ECMC Foundation, to link our campuses in a support network that is adaptive to student educational needs and creates seamless pathways designed to meet their educational goals. This model regional partnership would include cross enrollment, reverse transfers, shared support systems, and articulated pathways so that students can complete degrees and certificates more efficiently.

The ECMC Foundation grant was made to CSUEB, with CLPCCD as a recipient of funds beginning November 1, 2021 through March 31, 2023, for a total of \$305,000 for East Bay College Agile Network (East Bay CAN) activities.

Recommended Action: That the Board of Trustees approves the Subrecipient Commitment for Joint Project with California State University, East Bay and Chabot-Las Positas Community College District Entitled the East Bay, College Agile Network Funded by the ECMC Foundation. It is further recommended that the Board authorize the Vice Chancellor of Business Services to execute this agreement on behalf of the District.
