

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

December 14, 2021

Agenda Item: 4.1

Subject: Acceptance of Grant Award Agreement - Kaiser Permanente Northern California Community Benefit Programs, Chabot College

Background: CalFresh enrollment is an important aspect of supporting basic financial stability. While some students attend Chabot College’s food pantry services, this often is not enough. CalFresh enrollment can serve as a much more sustainable and stable means for addressing food insecurity, with the food pantry supplementing this resource. Grant objectives focus on increasing student enrollment in CalFresh and the CalFresh Employment & Training (E&T) Program, as part of the services provided by the new Chabot College SparkPoint Center, comprehensive resource hub.

The CalFresh Employment & Training Program will target Special Program students, particularly RISE (formerly incarcerated) and Guardian Scholar students, in the Welding, Medical Assisting, Machine Tool, and Industrial Technology Electronics Career Technical Education (CTE) programs. Funding supports enrolling students in CalFresh programs and provides students with basic needs support (e.g., books, transportation, supplies, tools, uniforms, etc.) to ensure students have the resources they need to succeed in their education.

Funding for the project is in the amount of \$25,000 for the period of October 1, 2021 through June 30, 2022.

Recommended Action: That the Board of Trustees accepts the proposed Grant Award Agreement - Kaiser Permanente Northern California Community Benefit Programs in the amount of \$25,000 for the period of October 1, 2021 through June 30, 2022. It is further recommended that the Board authorize the Vice Chancellor, Business Services, to execute the grant award agreement on behalf of the District.
