References:

Title 5 Sections 51006, 58106, and 58108

All courses of the District shall be open to enrollment in accordance with BP 5052 ~~itled~~ Open Enrollment and a priority system consistent with AP 5055 ~~itled~~ Enrollment Priorities. Enrollment may be limited to students meeting properly validated prerequisites and co-requisites, or due to other non-evaluative, practical considerations as determined by the Chief Instructional Officer.

No student is required to confer or consult with or required to receive permission to enroll in any class offered by the District, except as provided for in AP 5055 Enrollment Priorities and those programs such as the registered nursing program and the registered dental hygienist program with restricted enrollment.

Pursuant to Title 5 Section 58108, students are not required to participate in any preregistration activities not uniformly required, and no registration procedures are used that result in restricting enrollment to a specialized clientele, except as provided for in AP 5055 ~~itled~~ Enrollment Priorities, and those programs with restricted enrollment.

A student may challenge an enrollment limitation on any of the following grounds:

- The limitation is unlawfully discriminatory or is being applied in an unlawfully discriminatory manner;
- The District is not following its enrollment procedures;
- The basis for the limitation does not in fact exist.
