This Lease Agreement (hereinafter referred to as "Lease") is made on this 11th day of May 2022, by and between the **Hayward Unified School District**, a public school district in the County of Alameda, State of California (hereinafter called "Landlord"), and Chabot Las Positas Community College District (hereinafter called "Tenant"). Landlord and Tenant are sometimes hereinafter referred to collectively as the "Parties" or each individually as a "Party."

RECITALS

- a. Landlord owns that real property located at 2121 Depot Road, in the City of Hayward, Alameda County, California, APN 441-0020-004-00, which is further described on Exhibit "A" attached hereto.
- b. Tenant desires to lease from the Landlord the real property for the purpose of a construction laydown area. Landlord desires to lease the real property to the Tenant upon the terms and conditions set forth herein.
- c. The Landlord and Tenant recognize the value of partnering to provide services to the youth and families of the community.
- d. Tenant agrees that Landlord's fee interest shall at all times be and remain unsubordinated to any leasehold mortgage which may be imposed upon Tenant's leasehold interest hereunder or upon the improvements, and that nothing contained in this Lease shall be construed as an agreement by Landlord to subject its fee interest to any such lien.

IT IS AGREED between the Parties as follows:

1. DESCRIPTION.

Landlord does hereby rent and lease to the Tenant the real property as shown in Exhibit "A" attached hereto and hereinafter referred to as "Premises," containing 10,000 square feet of land.

2. TERM.

A. The term of this Lease shall commence on May 11, 2022 ("**Commencement Date**"), and shall expire on June 30, 2024 ("**Original Term**"), unless sooner terminated under any provision hereof.

B. Under mutual interest of the Parties, the term of this Lease shall include, and may be extended for one (1) additional terms of one (1) year (each an "**Option**"), provided that

Tenant is not then in default under this Lease. Exercise of each Option will maintain the terms and conditions of this agreement and require mutual approval from the Parties.

3. RENT.

A. The initial annual rent shall be Six Thousand Dollars (\$6,000), divided into twelve equal monthly installments of Five Hundred Dollars (\$500) (“Rent”). Tenant shall pay promptly to Landlord the monthly installment of Rent on the first day of each month in advance during the term of the Lease, without deduction, setoff, prior notice or demand.

B. The Rent will be readjusted annually for each succeeding year beyond the initial year as follows:

Fiscal Year	Date Range	Monthly Rent
2021-22	May 1, 2022 – June 30, 2022	\$500
2022-23	July 1, 2022 – June 30, 2023	\$500
End of Original Term		
2023-24	July 1, 2023 – June 30, 2024	\$500
End of Option 1		

C. Tenant acknowledges that late payment by Tenant to Landlord of the monthly rent and other sums due hereunder will cause Landlord to incur costs not contemplated by this Lease, the exact amount of which will be extremely difficult to ascertain. Such costs include, but are not limited to, processing and accounting charges. Accordingly, if any installment of rent or any other sum due from Tenant shall not be received by Landlord by 4:00 p.m. within ten (10) days after such amount shall be due, Tenant shall pay to Landlord, as additional rent, a late charge equal to three percent (3%) of such overdue amount or the maximum amount allowed by law, whichever is less. The Parties hereby agree that such late charges represent a fair and reasonable estimate of the costs Landlord will incur by reason of late payment by Tenant. Acceptance of such late charge by Landlord shall in no event constitute a waiver of Tenant’s default with respect to such overdue amount, nor prevent Landlord from exercising any of its other rights and remedies granted hereunder.

D. Taxes, late charges, costs and expenses which Tenant is required to pay hereunder, together with all interest and penalties that may accrue thereon in the event of Tenant’s failure to pay such amounts, and all reasonable damages, costs, and expenses which Landlord may incur by reason of any default of Tenant or failure on Tenant’s part to comply with the terms of this Lease, shall be deemed to be additional rent (“**Additional Rent**”) and, in the event of nonpayment by Tenant, Landlord shall have all of the rights and remedies with respect thereto as Landlord has for the nonpayment of the monthly rent.

5. DELIVERY.

Tenant shall accept the Premises in its "AS IS" condition. Landlord shall not be required to make or construct any alterations including structural changes, additions or improvements to the Premises and Landlord is not providing Tenant with any type of tenant improvement allowance whatsoever. Tenant has inspected the current condition of the Premises as of the Effective Date and is satisfied therewith. By entry and taking possession of the Premises pursuant to this Lease, Tenant accepts the Premises from Landlord in good and sanitary order, condition and repair and all plumbing and landscape irrigation shall be in good working order. Landlord shall have no such repair obligations in the event that a defect results from or is caused by the negligence or willful misconduct of Tenant or any of Tenant's agents, officers, employees, contractors, subcontractors, assignees, subtenants, licensees, guests, or invitees, (collectively, "**Tenant Parties**"). Tenant further agrees and acknowledges that no representations respecting the condition of the Premises have been made to Tenant by Landlord, except as otherwise specifically set forth in this Lease. All provisions of this Lease with regard to Tenant's use and responsibility to the Premises and Landlord, including provisions relating to indemnification and insurance, shall be in effect at the time of Tenant's possession and the start of Tenant's Improvements to the Premises, as the term Improvements is defined in Section 11 below.

6. USE OF PREMISES.

A. Tenant shall not use the Premises for any use other than that specified in this section without the prior written consent of the Landlord. Tenant shall require all subtenants, licensees, and invitees to use the Premises only in conformance with this use and with applicable governmental laws, regulations, rules and ordinances. Tenant shall indemnify, defend, and hold Landlord harmless against any loss, expense, damage, attorneys' fees or liability arising out of failure of Tenant to comply with any applicable law, regulation, rule or ordinance. Tenant shall not commit or suffer to be committed, any waste upon the Premises, or allow any sale by auction upon the Premises, or allow the Premises to be used for any unlawful purpose, or place any loads upon the floor, walls or ceiling which endanger the structure, or place any harmful liquids in the drainage system of the building. No waste materials or refuse shall be dumped upon or permitted to remain upon any part of the Premises except in trash containers designated for that purpose. Any use which involves the serving and/or sale of alcoholic beverages and the conducting of games of chance are prohibited on the Premises. Tenant shall comply with Landlord's district wide policy prohibiting the use of tobacco products on the Premises at all times, and Tenant shall not permit anything to be done in or about the Premises, which will increase the existing rate of insurance upon the Premises, or cause the cancellation of any insurance policy covering said premises unless Tenant obtains prior written approval from Landlord and pays any increased premium. Tenant shall not use or permit the use on the Premises or any part thereof for any purposes which are inimical to public morals and welfare or morally objectionable as unsuitable for a public educational facility. Tenant agrees to immediately respond to concerns expressed by neighbors or Landlord relating to the operation of the Premises.

7. TAXES AND ASSESSMENTS.

Tenant shall pay before delinquency any and all taxes, assessments, levies, possessory interest taxes, and other charges and governmental fees, general and special, ordinary and extraordinary, unforeseen, as well as foreseen, of any kind or nature whatsoever, including, but not limited to assessments for public improvements or benefits, which prior to or during the Term of this Lease are laid, assessed, levied, or imposed upon or become due and payable and a lien upon or represent an escape assessment from (i) the Premises and/or any improvements situated thereon or any part thereof or any personal property, equipment or other facility used in the operation thereof; or (ii) the rent or income received from subtenants or licensees; or (iii) any use or occupancy of the Premises and of any rights, obligations, easements and franchises as may now or hereafter be appurtenant, or appertain to the use thereof. Notwithstanding the foregoing, in the case of any special assessment levied upon the Premises, or any part thereof, during the Term of this Lease, Tenant shall be obligated to pay in full at the inception (or provide Landlord sufficient funds which, together with the accrual of investment yield thereon, shall be sufficient to pay to maturity all installments) the amount of any such special assessment. Nothing in this Section shall limit Landlord's right to recover, as Additional Rent, Taxes and Assessments payable after termination of this Lease pursuant to Section 26 of this Lease. The provisions of this Section 7 shall survive the expiration or earlier termination of this Lease; provided, however, that nothing herein shall obligate Tenant to pay Taxes and Assessments which are both (i) imposed upon the Premises subsequent to the termination of this Lease and (ii) applicable to a period or periods subsequent to the termination of this Lease.

8. INDEMNIFICATION AND INSURANCE.

A. Tenant Indemnification. Tenant agrees to indemnify, reimburse, hold harmless, and defend Landlord, its officers, employees and agents against any and all claims, causes of action, judgments, obligations or liabilities, and all reasonable expenses incurred in investigating or resisting the same (including reasonable attorneys' fees), in connection with, arising out of, or related to the operation, condition, use or occupancy of the Premises and all areas appurtenant thereto. This Lease is made on the express representation and covenant by Tenant that Landlord shall not be liable for, or suffer loss by reason of, injury to person or property, from whatever cause in any way connected with the condition, use or occupancy of the Premises specifically including, without limitation, any liability for injury including death to the person or property of the Tenant, its agents, officers, employees, licensees and invitees.

Accordingly, Tenant shall at its own expense, maintain in full force and effect an insurance policy on all of its fixtures, equipment, improvements made by Tenant and personal property in, about, or on the Premises. Said policy shall be for "All Risk" coverage insurance to the extent of at least ninety percent (90%) of the insurable value of Tenant's property. Tenant shall deliver to Landlord prior to September 1, 2020, a certificate of insurance evidencing the existence of the policy required hereunder.

H. Insurance Limits, Rating of Insurers and Certificates. Insurance is to be placed with insurers with a current A.M. Best Insurance rating of no less than A-minus:VII and subject to the approval of Landlord per Section 8.C. Such assurances may include, in Landlord's discretion, a completion guarantee. No construction shall commence until Landlord has given Tenant written acceptance of such assurances.

C. Tenant shall give Landlord fifteen (15) days prior written notice before commencing any work on the Premises so that Landlord may post such notices of non-responsibility with respect thereto as Landlord may deem appropriate. Tenant shall not commence work on the Premises until Landlord has posted notice of non-responsibility or has provided Tenant with written response waiving posting of notice of non-responsibility.

D. Not less than fifteen (15) days prior to the construction, major repair, renovation or demolition of any improvements on the Premises, Tenant shall provide Landlord with sufficient evidence that it has obtained all required approvals and permits for the work and that Tenant or Tenant 's contractor(s) has in effect, with premiums paid, adequate casualty and liability insurance (including builder's risk) coverage and workers’ compensation.

E. Upon commencement of construction of any Improvements, Tenant shall cause the work to be diligently pursued to completion in accordance with the schedule for completion approved by Landlord, subject to unavoidable delays caused by weather, supply shortages, strikes or acts of God.

F. All work on improvements shall be performed in a sound and workmanlike manner, in compliance with the applicable laws and building codes, in conformance with the plans and specifications approved by Landlord and the Division of the State Architect (“DSA”), if applicable, or any modifications thereto which have been approved in writing by Landlord. If an improvement project requires the use of DSA approved Inspector services, Tenant shall reimburse Landlord for the costs related to said services.

G. Landlord or Landlord’s agent shall have a continuing right at all times during the period that Improvements are being constructed on the Premises to enter the Premises and to inspect the work provided that such entries and inspections do not unreasonably interfere with the progress of the construction. Tenant shall require its contractors who construct improvements on the Premises to cooperate reasonably with Landlord or its agent in such inspections. In connection with any entry by Landlord or Landlord’s agent pursuant to this Subsection 11.G, Landlord covenants and agrees to defend (by counsel reasonably acceptable to Tenant), indemnify and hold harmless Tenant and its officers, directors, and employees, from and against any and all damage, loss, liability or expense, including, without limitation, reasonable attorneys' fees and costs, which arises as a result of damage to property or injury to persons caused by the negligence or willful misconduct of Landlord or its agent.

H. Within ninety (90) days after completion of construction of any work of improvement on the Premises, Tenant shall deliver to Landlord two (2) full and complete sets of as-built plans for the work so completed, and one (1) digital copy of such as-built plans.

I. Landlord shall cooperate with Tenant by executing and recording such applications for zoning or use permits necessary for the operation of Tenant’s business on the Premises as may be reasonably required to complete Tenant’s Improvements, however, no cost shall accrue to or be borne by Landlord and Tenant shall indemnify and hold Landlord harmless from and against any cost, expense, claim, or liability arising out of or related to Tenant’s application for, issuance of, or operation under such zoning or use permit.

J. All Improvements shall be constructed in accordance with all laws applicable to public school construction, including but not limited to the Americans with Disabilities Act and the Field Act.

12. CASUALTY DAMAGE.

A. In the event that any portion of the Premises are destroyed or damaged by an uninsured peril, Landlord and Tenant may, upon written notice to the other, given within sixty (60) days after the occurrence of such damage or destruction, elect to terminate this Lease; provided, however, that either Party may, within thirty (30) days after receipt of such notice,

elect to make the required repairs and/or restoration at such Party's sole cost and expense, in which event this Lease shall remain in full force and effect, and the Party having made such election to restore or repair shall thereafter diligently proceed with such repairs and/or restoration.

B. In the event the Premises are damaged or destroyed from any insured peril to the extent of seventy percent (70%) or more of the then replacement cost of the Premises, Landlord or Tenant may, upon written notice, given to the other within thirty (30) days after the occurrence of such damage or destruction, elect to terminate this Lease. If neither Party gives such notice in writing within such period, Landlord shall be deemed to have elected to rebuild or restore the Premises, in which event Landlord shall, at its expense, promptly rebuild or restore the Premises to their condition prior to the damage or destruction. In the event the Premises are damaged or destroyed from any insured peril to the extent of less than seventy percent (70%) of the then replacement cost of the Premises, Landlord shall at Landlord's expense, promptly rebuild or restore the Premises to their condition prior to the damage or destruction. Notwithstanding the foregoing, Tenant may upon written notice, given to Landlord prior to Landlord's commencement of rebuilding or restoration activities and no later than thirty (30) days after the occurrence of such damage or destruction, elect to terminate this Lease if the Premises are damaged or destroyed to the extent of fifty percent (50%) or more of the then replacement cost of the Premises.

C. In the event that, pursuant to the foregoing provisions, Landlord is to rebuild or restore the Premises, Landlord shall, within sixty (60) days after the occurrence of such damage or destruction, provide Tenant with written notice of the time required for such repair or restoration. If such period is longer than one hundred eighty (180) days from the issuance of a building permit, Tenant may, within thirty (30) days of receipt of Landlord's notice, elect to terminate the Lease by giving written notice to Landlord of such election, whereupon the Lease shall immediately terminate. The period of time for Landlord to complete the repair or restoration shall be extended for delays caused by the fault or neglect of Tenant or because of acts of God, labor disputes, strikes, fires, freight embargoes, rainy or stormy weather, inability to obtain materials, suppliers or fuels, acts of contractors or subcontractors, or delays of contractors or subcontractors due to such causes or other contingencies beyond the control of Landlord. Landlord's obligation to repair or restore the Premises shall not include restoration of Tenant's trade fixtures, equipment, merchandise, or any improvements, alterations, or additions made by Tenant to the Premises.

D. Unless this Lease is terminated pursuant to the foregoing provisions, this Lease shall remain in full force and effect; provided, however, that during any period of repairs or restoration, rent and all other amounts to be paid by Tenant shall be abated in proportion to the area of the Premises rendered not reasonably suitable for the conduct of Tenant's business thereon.

13. DEFAULT.

A. Events of Default. A breach of this Lease shall exist if any of the following events (hereinafter referred to as “Event of Default”) shall occur:

1. Default in the payment when due of any installment of rent or other payment required to be made by Tenant hereunder, and such default shall not have been cured within ten (10) days after written notice from Landlord;

2. Tenant’s failure to perform any other term, covenant or condition contained in this Lease and such failure shall have continued for thirty (30) days after written notice of such failure is given to Tenant;

3. The sequestration of, attachment of, or execution on, any substantial part of the property of Tenant or on any property essential to the conduct of Tenant’s business, shall have occurred and Tenant shall have failed to obtain a return or release of such property within thirty (30) days thereafter, or prior to sale pursuant to such sequestration, attachment or levy, whichever is earlier;

4. The Tenant or any guarantor of Tenant’s obligations hereunder shall generally not pay its debts as they become due or shall admit in writing its inability to pay its debts;

5. The Tenant or any guarantor of Tenant’s obligations hereunder shall commence any case, proceeding, or other action seeking reorganization, arrangement, adjustment, liquidation, dissolution or composition of it or its debts under any law relating to bankruptcy, insolvency, reorganization or relief of debtors, or seek appointment of a receiver, trustee, custodian, or other similar official for it or for all or any substantial part of its property;

6. The Tenant or any such guarantor shall take any corporate action to authorize any of the actions set forth in Subsections 4 or 5 above;

7. Any case, proceeding or other action against the Tenant or any guarantor of the Tenant's obligations hereunder shall be commenced seeking to have an order for relief entered against it as debtor, or seeking reorganization, arrangement, adjustment, liquidation, dissolution or composition of it or its debts under any law relating to bankruptcy, insolvency, reorganization or relief of debtors, or seeking appointment of a receiver, trustee, custodian or other similar official for it or for all or any substantial part of its property, and such case, proceeding or other action (i) results in the entry of an order for relief against it which is not fully stayed within seven (7) business days after the entry thereof or (ii) remains undismissed for a period of forty-five calendar (45) days.

B. Remedies. Upon any Event of Default, Landlord shall have the following remedies, in addition to all other rights and remedies provided by law, to which Landlord may resort cumulatively, or in the alternative:

1. Recovery of Rent. Landlord shall be entitled to keep this Lease in full force and effect (whether or not Tenant shall have abandoned the Premises) and to enforce all of its rights and remedies under this Lease, including the right to recover rent and other sums as they become due, plus interest at the rate of Bank of America's or its successor's reference rate plus three percent (3%) per annum from the due date of each installment of rent or other sum until paid.

2. Termination. Landlord or Tenant may terminate this Lease by giving 12 month advance written notice of termination. On the giving of the notice, all of Tenant's rights in the Premises shall terminate. Upon the giving of the notice of termination, Tenant shall surrender and vacate the Premises in the condition required by Section 26, and Landlord may re-enter and take possession of the Premises and all the remaining improvements or property and eject Tenant or any of Tenant's subtenants, assignees or other person or persons claiming any right under or through Tenant or eject some and not others or eject none. This Tenant may also be terminated by a judgment specifically providing for termination. Any termination under this Section shall not release Tenant from the payment of any sum then due Landlord or from any claim for damages or rent previously accrued or then accruing against Tenant. In no event shall any one or more of the following actions by Landlord constitute a termination of this Lease:

- a. maintenance and preservation of the Premises;
- b. efforts to relet the Premises;
- c. appointment of a receiver in order to protect Landlord's interest hereunder;
- d. consent to any subletting of the Premises or assignment of this Lease by Tenant, whether pursuant to provisions hereof concerning subletting and assignment or otherwise; or,

- a. the worth at the time of award of the unpaid rent which has been earned at the time of termination; plus,

The term "rent" as used in this Section shall include all sums required to be paid by Tenant to Landlord pursuant to the term of this Lease.

14. MECHANICS LIEN.

Tenant shall: (i) pay for all labor and services performed for, materials used by or furnished to Tenant or any contractor employed by Tenant with respect to the Premises; and (ii) indemnify, defend and hold Landlord and the Premises harmless and free from the perfection of any liens, claims, demands, encumbrances or judgments created or suffered by reason of any labor or services performed for, materials, used by or furnished to Tenant or any contractor employed by Tenant with respect to the Premises; and, (iii) give notice to Landlord in writing fifteen (15) days prior to employing any laborer or contractor to perform services related to, or receiving materials for the use upon the Premises; and, (iv) permit Landlord to post a notice of nonresponsibility in accordance with the statutory requirements of California Civil Code Sections 8442 and 8444, or any amendment thereof. In the event Tenant is required to post an improvement bond with a public agency in connection with the above, Tenant agrees to include Landlord as an additional obligee.

If Tenant does not cause such lien, claim, demand, encumbrance or judgment to be released by payment or by posting of a surety bond satisfactory to Landlord in the amount of not less than one hundred twenty-five percent (125%) of the contested sum within fifteen (15) days after receipt by Tenant of notice of such lien, claim, demand, encumbrance or judgment, Landlord shall have, in addition to all other remedies provided in this Lease and by law, the right but no obligation, to cause such lien, claim, demand, encumbrance or judgment to be released by any reasonable means, including payment of the claim giving rise to such such lien, claim, demand, encumbrance or judgment after written notice to Tenant pursuant to this Lease. Except in cases of an emergency and upon reasonable advance notice to Tenant, Tenant shall permit Landlord and its agents to enter the Premises during reasonable times for the purpose of inspecting the same, performing Landlord's maintenance and repair responsibilities, or posting a notice of nonresponsibility for alterations, additions, or repairs. In addition to the right granted to Landlord under Section 11 to inspect Improvements under construction on the Premises, Landlord and its authorized agents and representatives shall have the right throughout the term of this Lease to enter the Premises at all reasonable times during usual business hours and upon reasonable notice, for the purpose of inspecting the same or of exhibiting the same to prospective purchasers or mortgagees, and at any time within one year prior to the expiration of the Original Term or any extension options granted hereunder, for the purpose of showing the same to prospective tenants or bidders or to place upon the Premises, ordinary "For Lease" signs. Any such entries shall be without the abatement of rent or other charges due and payable by Tenant hereunder and shall include the right to take such reasonable steps as required to accomplish the stated purposes. Tenant hereby waives any claims for damages or for any injuries or inconvenience to or interference with Tenant's business, lost profits, any loss of occupancy or quiet enjoyment of the Premises, and any other loss occasioned by the inspections permitted by this section. Any entry into the Premises in the manner hereinbefore described shall not be deemed to be a forcible or unlawful entry into, or a detainer of, the Premises, or an actual or constructive eviction of Tenant from any portion of the Premises.

16. HOLDING OVER.

Should Tenant hold over in possession after the expiration of the original term or any extended term of this Lease, such holding over shall not be deemed to extend the term or renew the Lease, but the tenancy thereafter shall continue upon the covenants and conditions herein set forth at 150% (one hundred fifty percent) of the monthly rental (Holding Over Rent) of the last expiring term unless a different rental amount is mutually agreed to by the Tenant and Landlord.

Provided Tenant is not in default under this Lease, this Lease may be assigned, in its entirety, by Tenant to any person or entity who meets the reasonable requirements of Landlord, provided that no sale, assignment or transfer shall be effective until there shall have been delivered to Landlord an agreement, or a duplicate original of such assignment containing an agreement, in recordable form, executed by the assignor and the proposed assignee whereby such assignee agrees, expressly for the benefit of Landlord, to assume, keep and perform, and be bound by each and all of the covenants, conditions, restrictions and provisions herein contained on the part of Tenant, and any such assignment or transfer shall be subject to each and all of such covenants, conditions, restrictions and provisions hereof. In the event of an assignment properly approved by Landlord to a person or entity who, on the basis of generally accepted accounting principles consistently applied, has a net worth and credit worthiness equal to or greater than that of Tenant at the time of the assignment, Tenant shall be released from all covenants, conditions, restrictions and provisions of this Lease for the period of time after such assignment. In the event of a properly approved assignment to a person or entity with a net worth and credit worthiness less than that of Tenant, Tenant shall continue to be responsible for the performance of all covenants, restrictions, and provisions of this Lease. Any assignment in violation of this Section shall be void and of no effect. Tenant agrees that the Landlord may assign any interest in this Lease, as required or desired at any time, provided that such assignment will not disturb the Tenant's possession and quiet enjoyment of the Premises, so long as the Tenant is not in default under this Lease or under the provisions of any notification received by the Tenant from the Assignee of this Lease.

20. SUCCESSORS.

This Lease contains all of the covenants, agreements, representations and provisions thereof and shall insure to the benefit of and be binding upon the respective heirs, legal representatives,

executors, administrators, successors and assigns of the Parties hereto, except as provided in Section 19.

21. SURRENDER OF LEASE NOT MERGER.

The voluntary or other surrender of this Lease by Tenant, or a mutual cancellation thereof, shall not work a merger and shall, at the option of Landlord, terminate all or any existing subleases or subtenants, or operate as an assignment to Landlord of any or all such subleases or subtenants.

22. WAIVER.

The waiver by Landlord or Tenant of any breach of any term, covenant or condition or any subsequent breach of the same or any other term, covenant or condition herein contained shall not be deemed to be a waiver of such term, covenant or condition or any subsequent breach of the same or any other term, covenant or condition herein contained.

23. GENERAL.

A. The captions and section headings used in this Lease are for the purposes of convenience only. They shall not be construed to limit or extend the meaning of any part of this Lease.

B. Time is of the essence for the performance of each term, covenant and condition of this Lease.

C. In case any one or more of the provisions contained herein, except for the payment of rent or other terms sufficiently material that the Parties would not have entered into the Lease without the inclusion thereof, shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision of this Lease, but this Lease shall be construed as if such invalid, illegal or unenforceable provision had not been contained herein. This Lease shall be construed and enforced in accordance with the laws of the State of California and venue shall lie only in Alameda County.

D. If Tenant is more than one person or entity, each such person or entity shall be jointly and severally liable for the obligations of Tenant hereunder.

24. SIGNS.

Tenant shall at Tenant's cost have the right and entitlement to place Tenant's signs on the Premises, and otherwise to advertise its services, provided Tenant obtains the approval and consent of Landlord, such approval and consent not to be unreasonably withheld, and is in compliance with the local ordinances pertaining thereto. In connection with the placement of such signs, Landlord agrees to cooperate with Tenant in obtaining any governmental permits which may be necessary. Throughout the Term of this Lease Tenant shall, at its sole cost and

expense, maintain the signage and all appurtenances in good condition and repair. At the termination of this Lease, Tenant shall remove any signs which it has placed on the land or buildings in which the Premises are located, and shall repair any damage caused by the installation or removal of such sign.

25. INTEREST ON PAST DUE OBLIGATIONS.

Any amount due to Landlord not paid when due shall bear interest at the rate of Bank of America's or its successor's reference rate plus three percent (3%) per annum commencing thirty (30) days after the due date, but not to exceed the maximum rate permitted by law. Payment of such interest shall be in addition to any late charges owing pursuant to Section 3 and shall not excuse or cure any default by Tenant under this Lease.

26. SURRENDER OF THE PREMISES.

On the last day of the term hereof, or on sooner termination of this Lease, Tenant shall surrender to Landlord the Premises and any then existing improvements in good order, condition and repair, reasonable wear and tear excepted, free and clear of all liens, claims and encumbrances. Said condition shall be similar to that existing as of the commencement date of this Lease excepting normal ordinary wear and tear and any structural improvements made by Landlord subsequent to the commencement date. This Lease shall operate as a conveyance and assignment thereof. Tenant shall remove from the Premises all of Tenant's personal property, trade fixtures, and any improvements made by Tenant which Tenant and Landlord agreed would be removed by Tenant. All property not so removed shall be deemed abandoned by Tenant. If the Premises are not so surrendered at the termination of this Lease, Tenant shall indemnify Landlord against loss or liability resulting from delay by Tenant in so surrendering the Premises including, without limitation, any claims made by any succeeding Tenant or losses to Landlord due to lost opportunities to lease to succeeding tenants.

27. LANDLORD'S COVENANTS.

Landlord covenants, warrants and represents that it has full right and power to execute and perform this Lease, and to grant the estate demised herein, and covenants that Tenant on paying rent as herein provided and performing the covenants hereof shall peaceably and quietly have, hold and enjoy the demised Premises and all right, easements, appurtenances and privileges belonging or in any way appertaining thereto, during the term of this Lease and any extension or renewal thereof.

28. HAZARDOUS MATERIALS.

Landlord and Tenant agree as follows with respect to the existence or use of Hazardous Materials on the Premises including any improvements made by Tenant.

A. Definition. As used herein, the term "Hazardous Materials" means any hazardous or toxic substance, material or waste which is or becomes regulated by any local governmental

authority, the State of California or the United States Government. The term "Hazardous Materials" includes, without limitation, petroleum products, asbestos, PCB's, and any material or substance which is (i) defined as hazardous or extremely hazardous pursuant to Title 22 of the California Code of Regulations, Division 4.5, Chapter 11, Article 4, Section 66261.30 et seq (ii) defined as a "hazardous waste" pursuant to Section (14) of the federal Resource Conservation and Recovery Act, 42 U.S.C. 6901 et. seq. (42 U.S.C. 6903), or (iii) defined as a "hazardous substance" pursuant to Section 10 of the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. 9601 et. seq. (42 U.S.C. 9601). As used herein, the term "Hazardous Materials Law" shall mean any statute, law, ordinance, or regulation of any governmental body or agency (including the U.S. Environmental Protection Agency, the California Regional Water Quality Control Board, the California Department of Toxic Substance Control and the California Department of Health Services) which regulates the use, storage, release or disposal of any Hazardous Material.

B. Hazardous Materials. Tenant shall not cause or permit any Hazardous Material to be generated, brought onto, used, stored, or disposed of in or about the Premises and any improvements by Tenant or its agents, employees, contractors, subtenants, or invitees, except for limited quantities of standard office, classroom and janitorial supplies (which shall be used and stored in strict compliance with Hazardous Materials Laws). Tenant shall comply with all Hazardous Materials Laws.

C. Responsibility of Tenant. From and after the commencement date, Tenant shall be solely responsible for all environmental matters affecting the Premises and any improvements. Without limiting the preceding sentence:

1. Any handling, transportation, storage, treatment, disposal or use of Hazardous Materials in or about the Premises and any improvements by any person or entity shall be the responsibility of Tenant and shall strictly comply with all applicable Hazardous Materials Laws and the provisions of this Lease.

2. It shall be the duty of Tenant to insure that the Premises and any improvements are at all times in strict compliance with all Hazardous Materials Laws and that all activities conducted in or about the Premises and improvements comply in every respect with all applicable Hazardous Materials Laws including, but not limited to, all notification, record keeping, and maintenance requirements of such Laws.

3. Tenant shall have and discharge all of the duties and obligations of the owner of the Premises and improvements under applicable Hazardous Materials Laws, including, but not limited to, response and remediation; and

4. Tenant shall be responsible for all liability to third parties who may be harmed or claim harm resulting from an environmental condition on or about the Premises and any improvements.

D. Indemnification. Tenant shall indemnify, defend upon demand with counsel reasonably acceptable to Landlord, and hold harmless Landlord and its trustees, agents and employees from and against any liabilities, losses, claims, damages, lost profits, consequential damages, interest, penalties, fines, monetary sanctions, attorneys' fees, experts' fees, court costs, remediation costs, investigation costs, and other expenses which result from or arise in any manner whatsoever out of the use, storage, treatment, transportation, release, disposal, or presence from any cause or source whatsoever of Hazardous Materials on or about the Premises and any improvements.

E. Tenant Action. If the presence of Hazardous Materials on the Premises and any improvements (from any source whatsoever) results in contamination or deterioration of water or soil resulting in a level of contamination greater than the levels established as acceptable by any governmental agency having jurisdiction over such contamination, and if the Tenant is responsible therefore under applicable law then Tenant shall, at its sole cost and expense, promptly take any and all action necessary to investigate and remediate such contamination if required by law or as a condition to the issuance or continuing effectiveness of any governmental approval which relates to the use of the Premises and any improvements or any part thereof. Tenant shall further be solely responsible for, and shall defend, indemnify and hold Landlord and its agents harmless from and against, all claims, costs and liabilities, including attorneys' fees and costs, arising out of or in connection with any investigation and remediation required hereunder to return the Premises and any improvements to full compliance with all Hazardous Materials Laws.

F. Notice. Landlord and Tenant shall each give written notice to the other as soon as reasonably practicable of (i) any communication received from any governmental authority concerning Hazardous Materials which relates to the Premises and any improvements, and (ii) any contamination of the Premises and any improvements by Hazardous Materials which constitutes a violation of any Hazardous Materials Law. Tenant and subtenants may use small quantities of household chemicals such as adhesives, lubricants, and cleaning fluids in order to conduct their business on the Premises and any improvements and such other Hazardous Materials as are necessary for the operation of their respective business of which Landlord receives notice prior to such Hazardous Materials being brought onto the Premises and any improvements and to which Landlord consents in writing. As a condition to its consent, Landlord may require from Tenant or any subtenant additional security and/or indemnification against potential claims or losses resulting from the presence or use of such Hazardous Materials at or on the Premises and any improvements. At any time during the Term, Tenant shall, within thirty (30) days after written request therefore received from Landlord, disclose in writing all Hazardous Materials that are being used by Tenant or subtenants on the Premises and any improvements, the nature of such use, and the manner of storage and disposal.

G. Monitoring Wells. In the event that Landlord has reason to believe that Hazardous Materials may be present on the Premises and any improvements, Landlord may require that, at Tenant's expense, testing wells be installed on the Premises and any improvements, at locations determined by Landlord and Tenant, and may cause the ground water

to be tested to detect the presence of Hazardous Materials by the use of such tests as are then customarily used for such purposes. Tenant shall comply promptly with any such request.

H. Survival. The obligations of Tenant under this Section shall survive the expiration or earlier termination of this Lease. The rights and obligations of Landlord and Tenant with respect to issues relating to Hazardous Materials are exclusively established by this Section. In the event of any inconsistency between any part of this Lease and this Section, the terms of this Section shall control.

I. In the event that Tenant causes any Hazardous Materials to be released, spilled or otherwise exposed through its use and occupancy of the Premises, such as, but not limited to remodeling or other construction, Tenant shall be solely responsible for all costs associated with the proper handling, mitigation, remediation and disposal of such Hazardous Materials and all related cleanup.

29. CODE COMPLIANCE.

A. During the term of this Lease, Tenant, at its sole cost and expense, shall promptly comply with all requirements of all federal, state and municipal governments, agencies, courts, commissions, boards, or any other body exercising functions similar to those of any of the foregoing, foreseen or unforeseen, ordinary as well as extraordinary, which may be applicable to the Premises. Notwithstanding any provisions to the contrary contained in this Lease, in the event the federal, state, or municipal government including the City of Hayward or any agency or department thereof requires that the building in which the Premises is located be brought up to building code, regulation or other standard, the parties shall negotiate with each other as to who shall pay for the cost of such work and other related issues. If the Parties are unable to reach agreement, either party may terminate this Lease on sixty (60) days notice. In the event the City of Hayward, or any other public agency with jurisdiction over the health and safety of the Premises, requires testing of the Premises, the Tenant shall cooperate with the Landlord to permit such testing to take place. Any entry onto the Premises by Landlord and/or the public agency representatives for the purposes of conducting such tests shall not be deemed to be an actual or constructive eviction of Tenant from any portion of the Premises and Tenant shall not be entitled to any rent abatement or rent deferral as a result of such entry. Notwithstanding the foregoing, if any work is required to the Premises to comply with any applicable laws as a result of Tenant's Approved Use of the Premises or any work or Improvements made to the Premises by or on behalf of the Tenant, then only in such case shall Tenant be required to perform such work at its sole cost and expense.

B. Tenant shall, at its own expense, have the Premises inspected by the Hayward Fire Department for compliance with fire safety codes every twelve (12) months, and shall conduct testing of the fire sprinkler systems at least once every five (5) years.

30. PARKING.

Tenant shall have non-exclusive use of the parking lot outside of school hours; provided, however, that Tenant shall be entitled to exclusive use of the parking lot outside of school hours for special activities such as parent-teacher nights upon obtaining prior written approval from Landlord in accordance with the Civic Center Act.

31. ASBESTOS.

Landlord represents that the facilities on the Premises comply with State of California requirements regarding asbestos mitigation and the Landlord agrees to be responsible for future mitigation, if any, as required by the State of California regarding requirements relating to asbestos in the buildings, except in the event Tenant causes a release of asbestos in which instance, Section 28.I of this Lease shall prevail.

32. SUBLEASING.

Tenant may not sublet the Premises, or any portion thereof, without prior written consent of Landlord, which consent may be withheld or conditioned in the Landlord's sole and absolute discretion.

33. NO SUBORDINATION.

Nothing in this Section or in any other provision of this Lease shall be construed as an agreement by Landlord to subordinate its fee interest in the Premises to any leasehold mortgage or other lien or right. No leasehold mortgage shall impair Landlord from enforcing its rights and remedies herein or by law provided Tenant shall not encumber or lien its leasehold interest in the Premises without the prior written consent of Landlord, which consent shall be at the sole discretion of Landlord.

34. ENTIRE AGREEMENT.

This Lease constitutes the entire understanding between the Parties hereto and no addition to or modification of, any term or provision of this Lease shall be effective until set forth in writing signed by both Landlord and Tenant.

35. SIGNATURES IN COUNTERPART.

This Lease may be signed in counterparts, such that signatures appear on separate signature pages. A copy or original of this document with all signature pages appended together shall be deemed a fully executed duplicate original of the Lease.

36. WARRANTY OF AUTHORITY.

The persons who have signed this Lease warrant that they are legally authorized to do so on behalf of the respective Parties, and by their signatures to bind the respective Parties to this Lease
