Dear Vice President Cooks,

RE: CFA 22-23 Submission and Board Approval Request – with 2-18-22 Update

The CFA documents in previous years did not require Board approval. For 22-23, a new process was implemented. The State has requested Board approval, from agencies that have a board approval system, as a result of changes to the processing of the 22-23 CFA documents and future CFA documents. Future CFAs are expected to be done automatically.

The submission of the CFA 22-23 to the CDE that now requires State approval had a tight timeline. The CFA had a deadline date of January 2022. Given the timeline when the CFA was released, the timeline for submission of Board documents and document preparation, I requested from the CDE in December a request for extension to February 2022. This extension was granted.

All CFA 22-23 documents have been prepared and are ready for the March 2022 Board meeting. I contacted the CFA unit within CDE and have informed them of the status of the CFA documents, submitted the completed CFA documents, and shared with them the date of the March 15, 2022 Board meeting. In addition, I have requested a further extension to March to submit the Board approval documentation.

This item will be a high priority so as to get it resolved. I apologize that this item has come to your attention, and I take full responsibility for this. I will make sure to follow up on the documents closely to assure that they have been submitted.

UPDATE 2-18-22

I have been in communication with the CFA Team. The CFA Team has received the CFA 22-23 documents, reviewed the documents, and have approved the extension to submit the board approval in March 2022. They did request two changes which have I made and submitted. They acknowledged that they have received these changes and only need the Board submission. I am submitting an updated version of the CFA 22-23 for Board

approval through the attachments which reflect the CFA documents sent to and reviewed by the CFA Team as of 2-18-22.

California State Preschool Program Continued Funding Application Fiscal Year 2022–23

California State Preschool Program (CSPP) contractors who wish to be considered for continued funding for fiscal year (FY) 2022–23 must read the accompanying instructions and fully and accurately complete this application for continued funding. Instructions may be accessed on the Continued Funding Application (CFA) web page at: <https://www.cde.ca.gov/sp/cd/ci/cfaforms2223.asp>.

Please note that CSPP contractors have no vested right to a subsequent contract. Completion of this CFA does not guarantee a renewal of funding. Upon completion of this CFA the California Department of Education (CDE) will review the application and may contact your agency seeking additional information. If the CDE determines your agency will not be renewed for a subsequent contract year, you will be notified in writing no later than April 7, 2022, pursuant to the *California Code of Regulations*, Title 5 (5 CCR). CSPP contractors who apply for and are approved for continued funding do not need to sign a contract with the CDE to provide CSPP services for FY 2022–23, as contracts will be automatically renewed in accordance with all applicable federal and state laws as well as all CSPP Funding Terms and Conditions and Program Requirements that will be incorporated into the 2022–23 CSPP contract. By signing this CFA, the CSPP contractor is indicating that it wishes to automatically renew the CSPP contract for FY 2022–23 and is willing to, and does accept, all of the terms and conditions of the CSPP contract, which will be provided to the CSPP contractor no later than June 1, 2022. The CSPP contractor may reject the FY 2022–23 CSPP contract by providing the CDE with a written notice no later than July 1, 2022. Instructions on how to provide written notice of rejection of the terms of the new FY 2022–23 contract will be provided in forthcoming communication, on or before June 1, 2022, to CSPP contractors.

Failure to submit the CFA in a timely manner shall constitute as a notice to the CDE of the intent to discontinue services at the end of the current contract year, unless the CSPP contractor has received a written notice of extension of time from the CDE. If the CFA is returned to the CDE in a timely manner but is not fully and accurately completed, funding for FY 2022–23, if approved, may be delayed.

If you have any questions regarding the CFA, please contact CFA@cde.ca.gov.
