

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

September 13, 2022

Agenda Item: 4.4

Subject: Approval of Agreement for Support of Fresh Success Employment & Training Activities between the Foundation for California Community Colleges (FCCC) and the Chabot-Las Positas Community College District, Chabot College

Background: CalFresh is a Supplemental Nutrition Assistance Program (SNAP) to assist households to purchase nutritious food. CalFresh recipients can meet the federal requirement to maintain their CalFresh benefits by choosing to participate in a CalFresh Employment & Training (CFET) program. The emphasis of the services is to support students with their educational goals of completing a certificate/degree and becoming economically self-sufficient. In an effort to increase access and remove barriers for a student-recipient, educational expenses will be covered to include, but not limited to: books, transportation, and workplace required attire and equipment.

For the past three years, the CFET program was operated by the Alameda County Social Services Agency and a third party like Chabot College was contracted to conduct the educational and training activities (December 15, 2020, Board Item 4.4). After 3 years of operating the CFET successfully, the FCCC will now work with the California Department of Social Services to provide Chabot College with the funding, fiscal management, technical support and accountability for the CalFresh Employment & Training (CFET) program (Fresh Success).

The maximum federal reimbursement amount is \$114,452.79 for the term of October 1, 2022 – September 30, 2023.

Recommended Action: That the Board of Trustees approves the agreement between Alameda County Sheriff’s Office and Five Keys School and Programs and Chabot-Las Positas Community College District, Chabot College. It is further recommended that the Board authorizes the Vice Chancellor of Business Services to execute this agreement on behalf of the district.
