

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

October 18, 2022

Agenda Item: 4.8

Subject: Acceptance of a U.S. Department of Continuation Grant Award Augmentation, Childcare Access Means Parents in School (CCAMPIS) to Chabot-Las Positas Community College District, Chabot College for Chabot College Children’s Center Expansion (GAN P335A190370 - 22)

Background: Chabot College previously applied for and was awarded the CCAMPIS grant from the US Department of Education, which was approved as board item 4.1 on December 23, 2019. For the 2022-23 year, the CCAMPIS continuation grant has received a 30% budget augmentation.

The Chabot College Children’s Center helps provide students access to affordable childcare on campus. The Children’s Center currently provides families with a consistent childcare option for children, ages three-months to kindergarten, to learn and thrive. For student parents, the Children’s Center is a key resource to academic success and being able to stay in school. Chabot student parents with children attending the Children’s Center have higher persistence and success rates, compared to the average across campus.

Following budget cuts in 2010, the Center has slowly been rebuilding capacity to serve the families on the waitlist. Funds from this grant will support staffing, professional development, and National Association for the Education of Young Children (NAEYC) Accreditation to open 12 additional subsidized childcare slots, which will prioritize families in greatest economic need on the waitlist.

The budget augmentation of \$33,196 is for the period of October 1, 2022 through September 30, 2023. This is in addition to the base amount of \$110,648 for the period of October 1, 2022 through September 30, 2023.

Recommended Action: That the Board of Trustees accepts the U.S. Department of Continuation Grant Award Augmentation, Childcare Access Means Parents in School (CCAMPIS) to Chabot-Las Positas Community College District, Chabot College for Chabot College Children’s Center Expansion (GAN P335A190370 - 22) for the amount of \$33,196 for the period of October 1, 2022 through September 30, 2023. It is further recommended that the Board authorizes the Vice Chancellor of Business Services to accept this augmentation on behalf of the district.
