

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

November 15, 2022

Agenda Item: 5.4

Subject: Approval of Award of a Piggyback Contract for Personal Computer Equipment for the new Academic Building 2100 at Las Positas College using the State of California WSCA-NASPO VP PC Cooperative Purchasing Program

Background: The District is preparing for the purchase, delivery and installation of personal computer equipment for the new academic building 2100 at Las Positas College. These computers will be new installs for computer labs and staff when bringing the building online in spring of 2023. To make the purchase of the required personal computer equipment, the piggyback contracting method has been selected. Public Contract Code Section 20652 authorizes the use of this method when it is in the best interest of the District.

The Western States Contracting Alliance (WSCA) has formed a cooperative purchasing organization; the National Association of State Procurement Officials (NASPO) to manage a cooperative purchasing program approved by the California's State Chief Procurement Official and makes contracts available to authorized governmental entities such as public schools and institutions of higher education. The WSCA-NASPO contract planned for this use is the computer contract (7-15-70-34-001) with Hewlett Packard Company. This piggyback able contract utilizes a previously conducted bidding process and contract award to WSCA members.

Recommended Action: That the Board of Trustees approve the award of a piggyback contract for Personal Computer Equipment for the new academic building at Las Positas College using the State of California WSCA-NASPO VP PC Cooperative Purchasing Program, to Hewlett Packard Company of Omaha, NE, in the respective amounts including taxes, not to exceed \$934,941.47. It is further recommended that the Board authorize the Vice Chancellor, Business Services to execute the purchase order on behalf of the District.
