Convocation serves as the “formal” opening of the academic year at Chabot-Las Positas Community College District. Along with new beginnings, Convocation offers the opportunity to reexamine and realign, if needed, the direction of our programs, services, departments, and even ourselves. This tradition serves as a reminder of our role as an institution of higher education and our commitment to students’ educational excellence.

(Continued...)

This year's theme is:

## “Changing for Students’ Sake” *Responding to the changing environment with renewed student focus*

It is CLPCCD’s commitment to excellence which asks us to reflect and reassess how our work and decisions impact our students’ success.
