Article 26, Enrollment Management in the FA Contract

DEMC is a committee created out of the Faculty Association-CLPCCD Contract. As such, it is not a part of districtwide governance. The charge of this committee is to establish annual productivity and FTES targets to recommend to the Chancellor. This annual action item of the committee is posted online when it becomes finalized. In addition, the targets approved by the Chancellor are reported to the IPBM-PBC, and become the basis for funding allocations and the Annual Budget. -CLPCCD website
