Management
Committee**

2026–27

Philomena Franco
Financial Aid

More enrolled students received Pell

Pell-paid students • Fall 2025 compared with Fall 2026

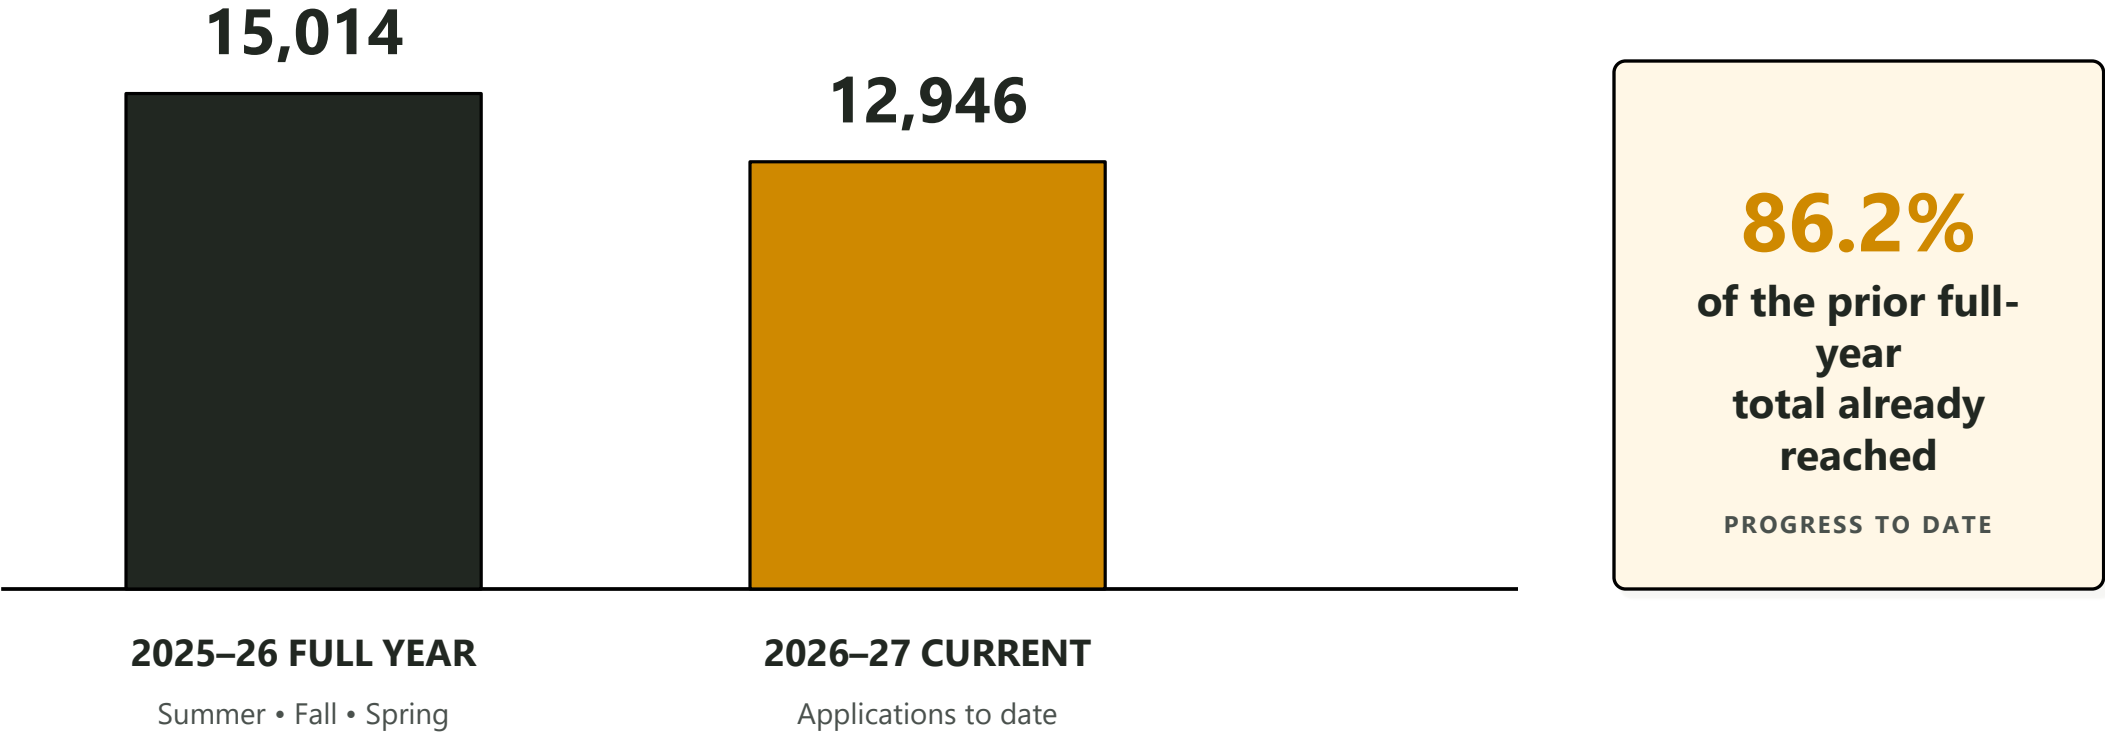

The increase reflects more enrolled students moving through financial aid to Pell payment.

FINANCIAL AID APPLICATIONS

2026–27 applications are progressing well

2025–26 full year compared with the current 2026–27 application total

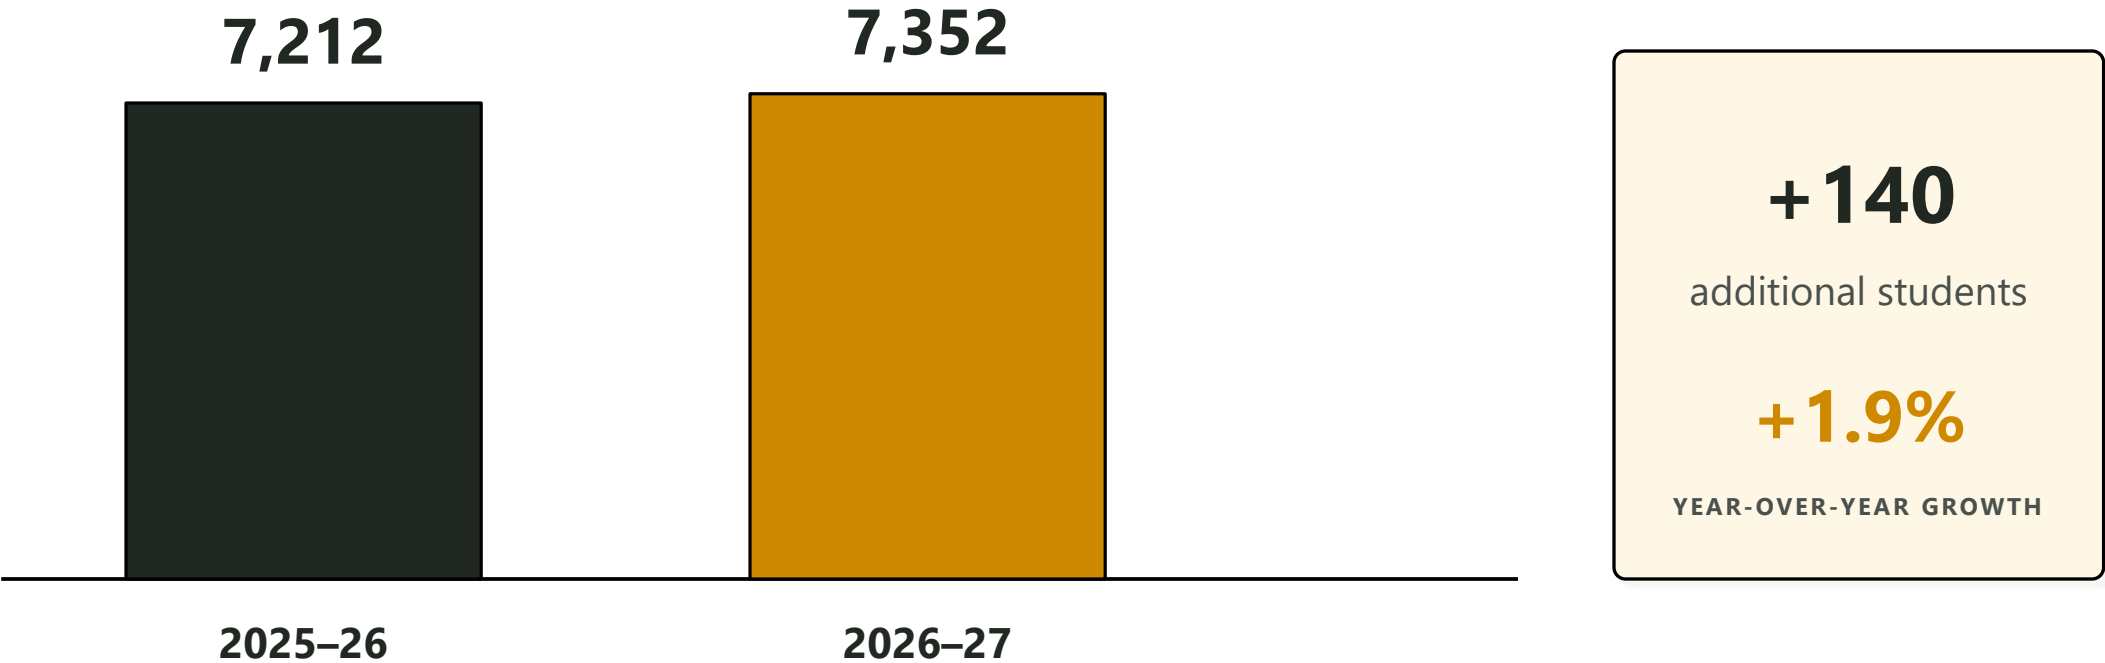

12,946 applications have already been received while the 2026–27 year is still in progress.

TARGETED STUDENT OUTREACH

CCPG participation continues on an upward trajectory

Unduplicated Summer/Fall CCPG students • 2025–26 compared with 2026–27

CCPG continues to move upward, expanding access to enrollment fee support.

EXPANDING OUR REACH

Meet students where they are

Three simple actions move outreach from information to student follow-through.

01

COUNSELING & ACADEMIC SERVICES

Bring CCPG and financial aid help into classrooms, orientations, events, and Zoom/in-person support.

02

PRMG

Reach students with no financial aid on file through clear, scheduled communication.

03

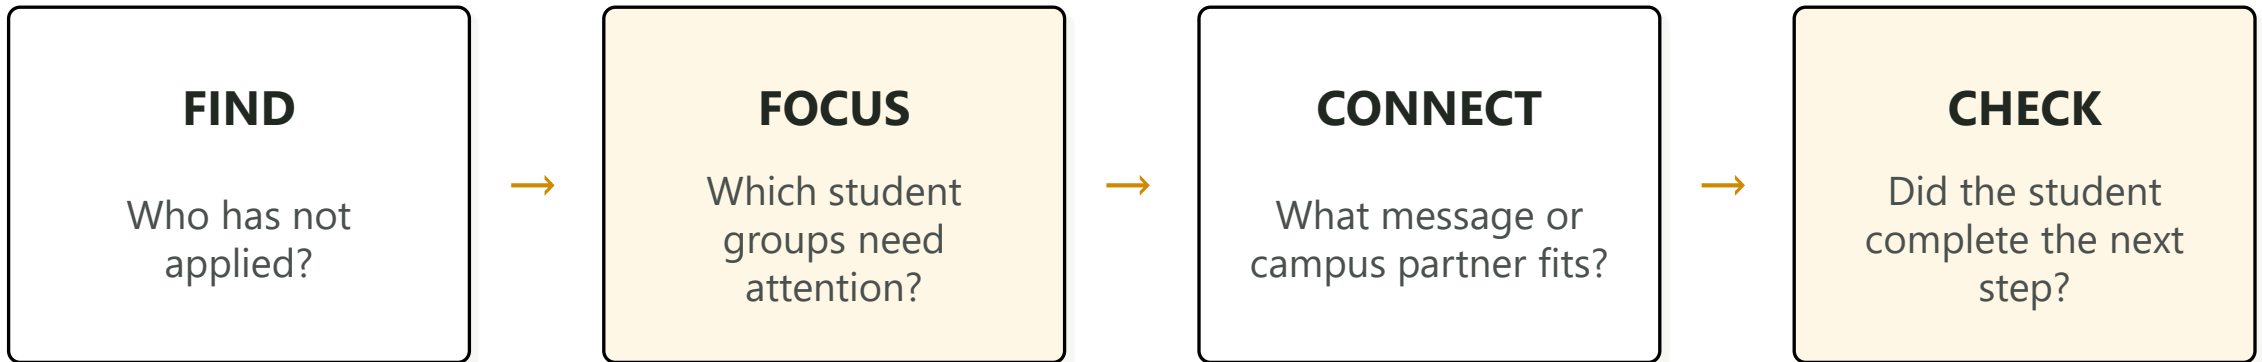

FINANCIAL AID

Use planned messages and advisor follow-up to help students complete the financial aid application.

Examples: in-class CCPG forms • FAFSA/CADAA help • special program and athletics orientations • SOAR/Flex/Gladiator events • PRMG scheduled messages

Use data to make outreach more intentional

The dashboard helps us decide who needs attention; Guided Pathways helps connect students to the right support.

Dashboard lens

Pathway • first-generation • low income • attendance • educational goal • age • gender

Goal: use the data to decide where outreach will have the most value—not simply send more messages.

SHARED CAMPUS RESPONSIBILITY

Financial aid access is not one office's job

Each partner has a simple role in helping students reach and complete the next step.

Financial Aid

Process aid, provide application help, resolve student-specific questions.

Faculty & Deans

Reinforce aid options and support the ongoing in-class CCPG effort.

Guided Pathways & Counseling

Build financial aid touchpoints into advising, orientation, and pathway conversations.

PRMG

Deliver coordinated student messages at planned points in the semester.

IR / District Partners

Use data to identify gaps, target outreach, and measure progress.

COLLEGE GOAL: +5% FINANCIAL AID PARTICIPATION EACH YEAR
