Strategic Priorities

1

Expand pathway planning

Increase pathway-focused First Semester Planning Sessions.

2

Use data to focus support

The IR Pathway Dashboard applies an equity lens to outreach and follow-up.

3

Connect every student early

Link students with Special Programs or Pathway Counselors

Early connection channels

Special Programs One Application

A Simpler Way to Access Support

2026-2027 Chabot College Special Programs - One Application

Chabot College offers learning communities and programs that provide support, resources, and community. Each program is different, with a particular focus on your success as a student. *You can join more than one program.* For more details, visit the Special Programs website: <https://tinyurl.com/ChabotSProg>

Benefits may include:

- Book voucher, school supplies, grants, meal and transportation cards, and financial grants
- Personalized counseling, priority registration, and workshops
- College and company tours, alumni network, and professional events
- Community and cultural activities

What are Learning communities at Chabot College? They place students on their path for academic and transfer success. Personalizing the student experience through culture, community, and mentorship.

- **MOVEMENT:** Centered around Asian American history, literature, and culture
- **Nesians Unite:** Centered around Pacific Islander culture, history, and experiences
- **Puente:** Centered around Chicano and Latinx history, literature, and culture (**Closed for 2026-2027 Academic Year**)
- **PACE:** Focused on working adults, provides reserved CSU-GE classes (online and evening), and support for AA and transfer
- **Umoja:** Centered around African American/ Black history, literature, and culture

Support Programs under Special Programs:

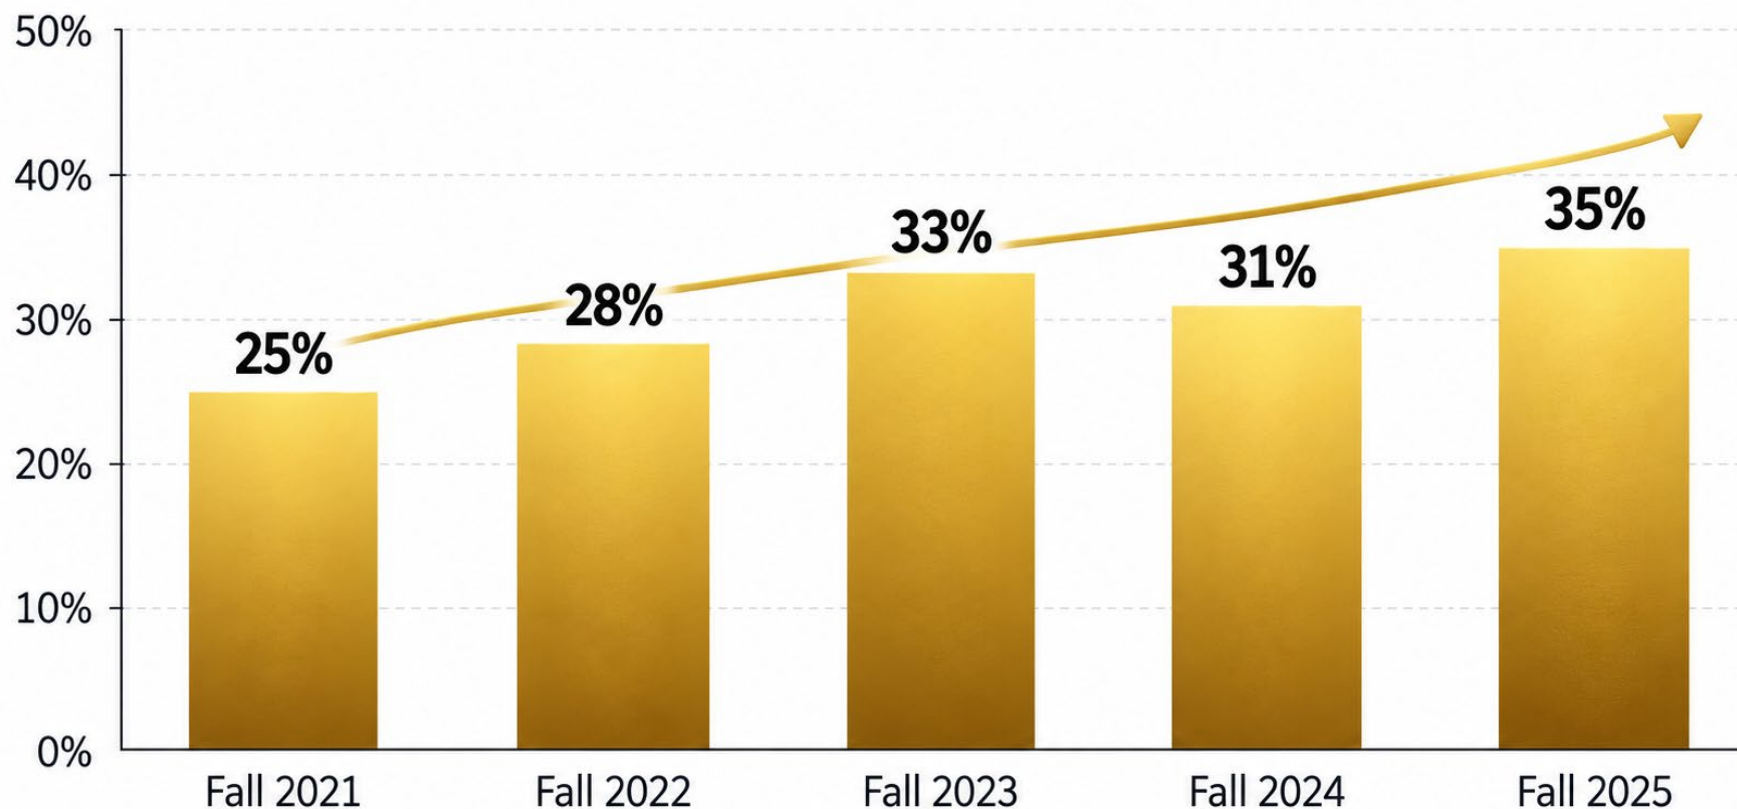

- **CalWORKS:** For low-income student parents receiving or are eligible for cash aid/ public benefits with the county
- **CARE:** Supports low-income single parents receiving cash aid
- **EOPS:** Supports students disadvantaged by social, economic, educational, or language barriers (enrolled in at least 12 units or 9 units with accommodations)
- **Fresh Success:** Students receiving CalFresh benefits, enrolled in a Career Education, ESL or non-credit courses (**Currently Closed**)
- **NextUp:** For students who are currently or formerly in the foster care system, including those whose dependency was established or continued by a court on or after age 13
