California residents, except those exempt by law, must pay an enrollment fee for classes at the colleges.

The District may waive enrollment fees which were not collected in a previous session as a result of the District's error -through no fault of the student- in awarding a California College Promise Grant (formerly known as Board of Governors Fee Waiver) to an ineligible student, if to collect the enrollment fee would cause the student undue hardship.

Unless expressly exempted, or entitled to a waiver, all students enrolling for college credit must pay the enrollment fee. Under Title 5, Section 58502, students must be charged the enrollment fee at the time of enrollment, but Section 58502 also allows college districts to defer collection of the enrollment fee.

The District may waive enrollment fees which were not collected in a previous semester or term where the enrollment fees were not collected as a result of the District's error in awarding an enrollment fee waiver to an ineligible student and not through the fault of the student, and to collect the enrollment fee would cause the student undue hardship.

The District will refund a portion of the enrollment fee under the procedural guidelines established in accordance with required code and regulations; except in cases where the refund request is due to military withdrawal (MW). Full refund shall be made to those persons receiving an "MW".
