Subject: Chancellor Finalists Search: College Forums to take place
March 16 and 17, 2020

The Chabot-Las Positas Community College District Chancellor Search College Forums will take place, as originally scheduled for Monday, March 16, and Tuesday, March 17, 2020. We are taking every precaution to adhere to Alameda County Public Health Department and California Department of Public Health's guidelines for public gatherings.

District employees, students and community members will have three viewing options. One, viewing is still available in-person, however we will cap the number of guests per County and State health guidelines for small public gatherings. Two, guests will have the option to view the forums via live streaming with the ability to submit questions via email during the forums. A link to a candidate survey will be available on the district website. Three, the forums will be recorded and we will share links to the videos, embedded with a candidate survey link, 24-72 hours after the forums conclude.

Please visit our district/chancellor search [webpage](#) for up to date details on forum viewing options.

Each Chancellor finalist will participate in an open forum. We invite and encourage everyone to attend and use the various methods of viewing the open forums. All forums are open to all faculty, administrators, classified professionals, students, and the general public. There will be a brief introduction of each candidate, followed by a question and answer session.
